## PHILOSOPHY OF CHRISTIAN ATHLETICS

---

The South Australian Christian Schools Association is committed to providing opportunities for its member schools to participate in Athletics and other sporting events in a cooperative, friendly Christian environment.

As Christian schools, we acknowledge the Lord Jesus Christ as Saviour and His Father God, the Creator and Giver of all gifts. It is the physical gifts that He has endowed upon our students that we celebrate in our sporting carnivals. We encourage our athletes to participate to the best of their abilities, in order to give the Glory to God, in the tradition of athletes like Eric Liddell.

SACSA acknowledges that competition is inherent within athletic pursuits, as students pursue excellence, and excellence on the sporting arena should be valued as much as academic excellence. On the sporting field true excellence must value sportsmanship, participation, and enjoyment for all. As Christian Schools, this is what sets us apart – cooperation, mutual respect and camaraderie, in the name of our Lord Jesus Christ. It is these principles that underpin our operation as an association.

# INTENT TO COMPETE / NOMINATIONS

SACSA Sports uses a program called **ReadyGo**.

Please read the information below to learn how to register and nominate your team.

1. You will firstly need to complete the online “intent to compete” form that can be found at [www.sacsasports.com.au/nominations](http://www.sacsasports.com.au/nominations). This is due by no later than:

## Friday 8<sup>th</sup> March, 2024

If you have any issues, please contact the SACSA Sports Coordinator or the Carnival Convenor as soon as possible.

2. Once you have nominated online, you will need to send an excel spreadsheet to the SACSA Coordinator. The spreadsheet will need to include a list of **all of your students** enrolled from Years 2 – 7 at your school (see example below). Please note that we do not just want your athletes competing, we will need all students enrolled. We are hoping this file can be gained from the appropriate personnel at your school e.g. IT department etc. and therefore should not be a time consuming process.

The CSV. excel spreadsheet will need to look like the one below:

Name	Date of birth	Gender	Team
John Smith	YYYY-MM-DD	M	Sunrise

**Please note:**

- If you are unable to send the name in one column, you can send two columns with first name and last name. We will change this for you.
- Also, if you are unable to enter the date in the above format, we can also change this for you.

This CSV. spreadsheet will need to be sent back to the SACSA Sports Coordinator via email ([luke@scasports.com.au](mailto:luke@scasports.com.au)) by no later than:

## Wednesday 27<sup>th</sup> March, 2024

3. The SACSA Sports Coordinator will enter all of your school’s students into the ReadyGo program. Once this has been done, you will be able to enter your competitors into their events online. Please read below for a step by step process on how to enter your team into ReadyGo.

**You will need to enter your competitors into ReadyGo by no later than:**

## Thursday 11<sup>th</sup> April, 2024

## How to set up an account/login

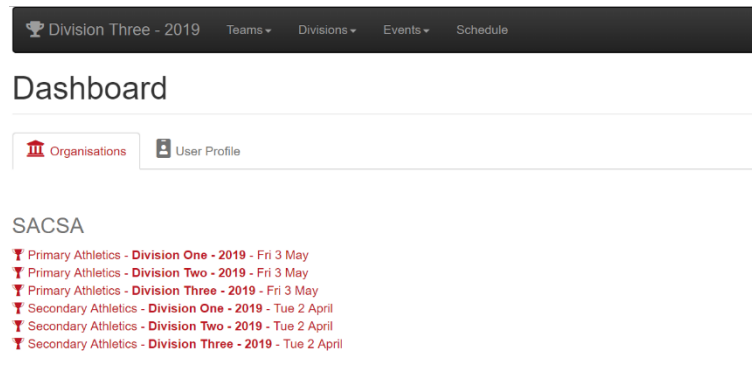

1. You will be sent an email shown below:  
**Hello,**  
**Luke Shearer has added you for the role of "Sports Coordinator" on ReadyGo Sports Day Manager.**  
**Click here to accept your role.**  
**Please note, you will be directed to log in or to create an account if you have not already done so. Thank you**
2. Once you clicked on the words "click here to accept your role" in your email, you will be directed to the ReadyGo website (<http://www.readygo.com.au>).

3. You will see the following screen:

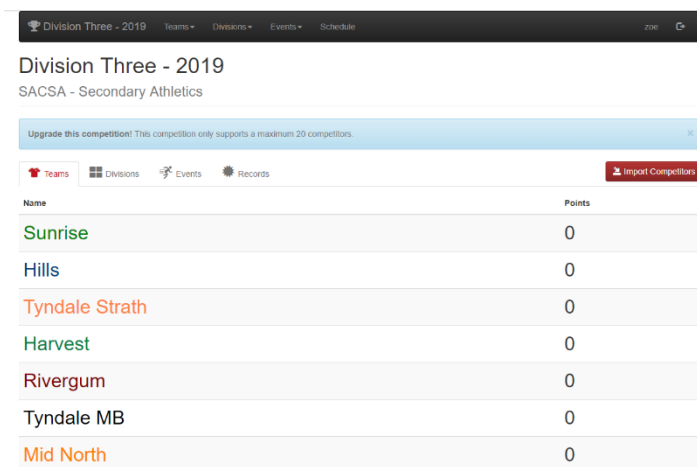

4. If you did not use the Ready Go program last year, please click on "New here? Create an account..." at the bottom of the red login box. Please enter in your name, email address and set up a password as shown below. If you have used it before and cannot remember your password, please click on "Forgot Password...". Otherwise login as you did last year.

## How to enter competitors into events

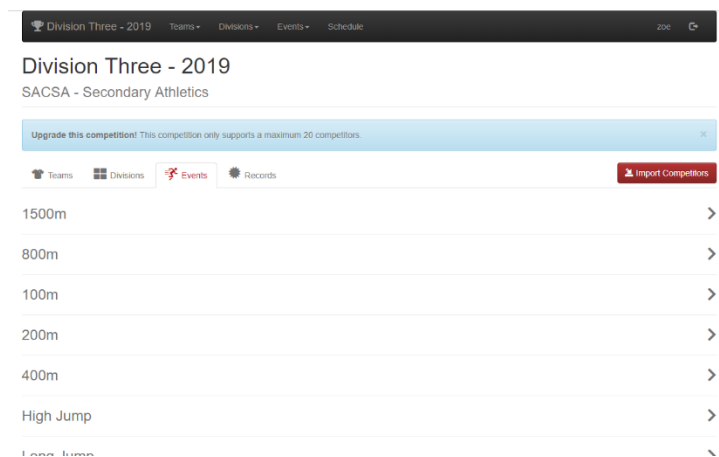

1. You will then be directed to the dashboard where you will see our name "SACSA" in grey. Please click on one of the options in red below "SACSA" to enter straight into your carnival. If you have forgotten which division your school is in, you can access the Athletics Booklet online ([www.sacsasports.com.au/sports/athletics](http://www.sacsasports.com.au/sports/athletics)) to find out.

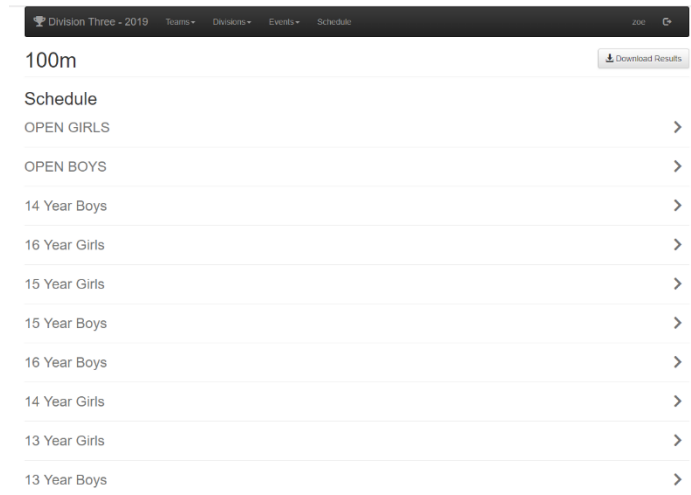

2. Once you have entered into your division, you will see the following screen (example below is for Secondary Athletics Division three only).

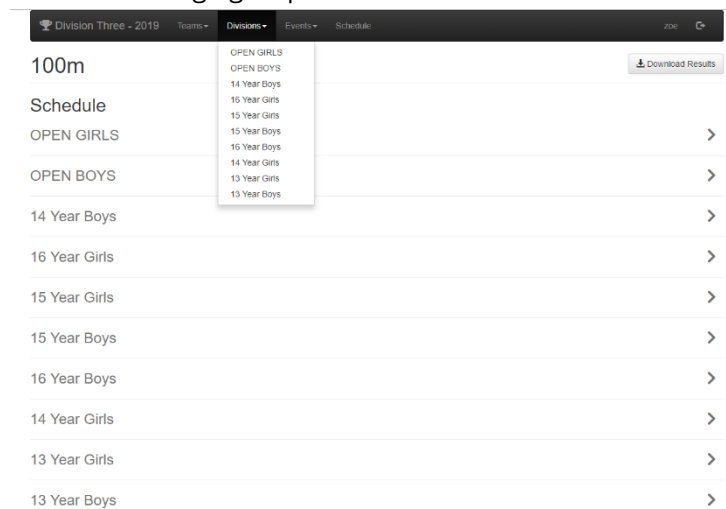

3. You can now start placing competitors into their events by clicking on "Events" (either the grey option or on the top black menu bar at the top of the page).

4. If you click on each individual event, you will have the option to then choose the age group you would like to enter competitors into as show below.

5. Alternately, if you would like to add competitors into events by age groups, you can click on "Divisions" on the black menu bar at the top of the screen. This will show a drop down as shown below. You can then access all of the events in that age group.

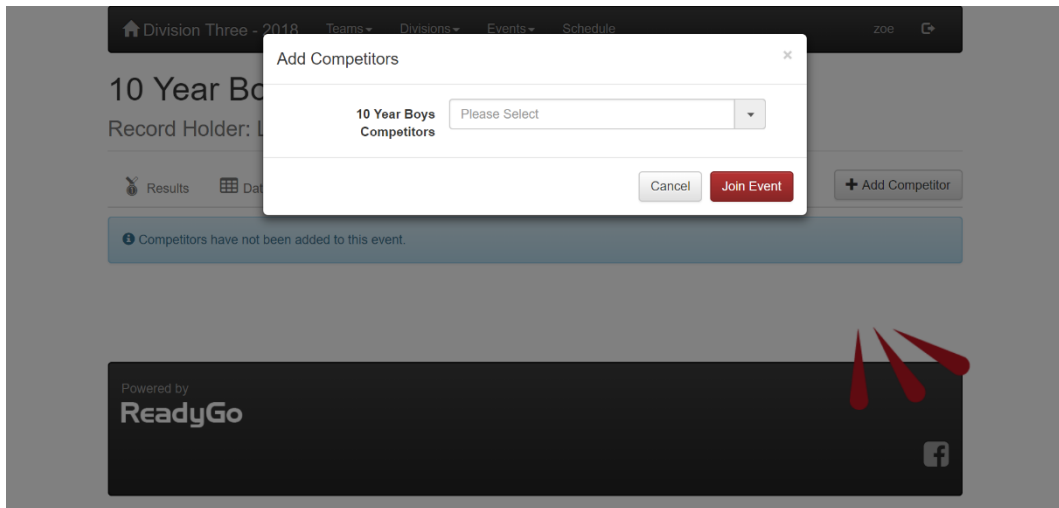

6. Once you are into the correct event and age group, you will see the screen below (shown for the 14 Year Boys 100m event)...

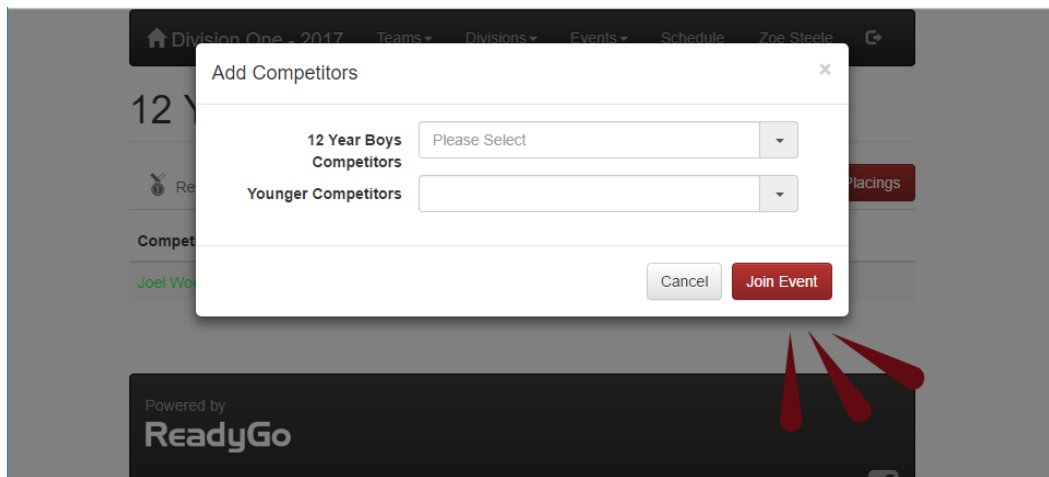

7. You then need to click on “+Add Competitor” tab on the right hand side of the screen.

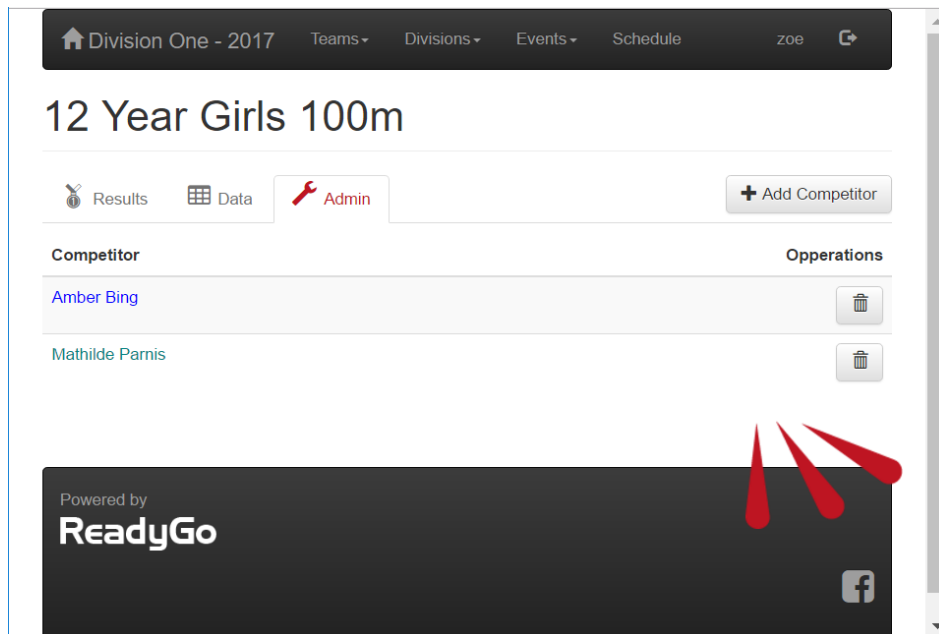

8. You can now either use the drop down to add your competitor to the event or type in their name. If you are adding a competitor that is younger than the age group, you just need to type his name in the “Younger Competitors” section.

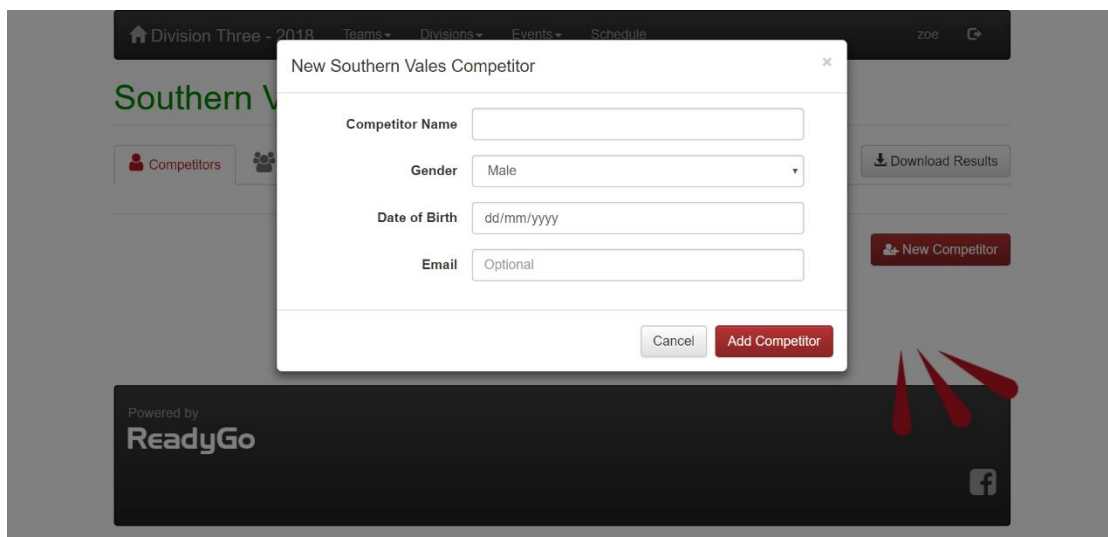

## How to remove a competitor from an event

- To remove or change a competitor that you have already entered, please go to the specific event (eg 100m, 12 Year Girls) and click on the “admin” tab as shown below. By clicking on the bin to the right of the competitor’s name, you will be able to delete them.

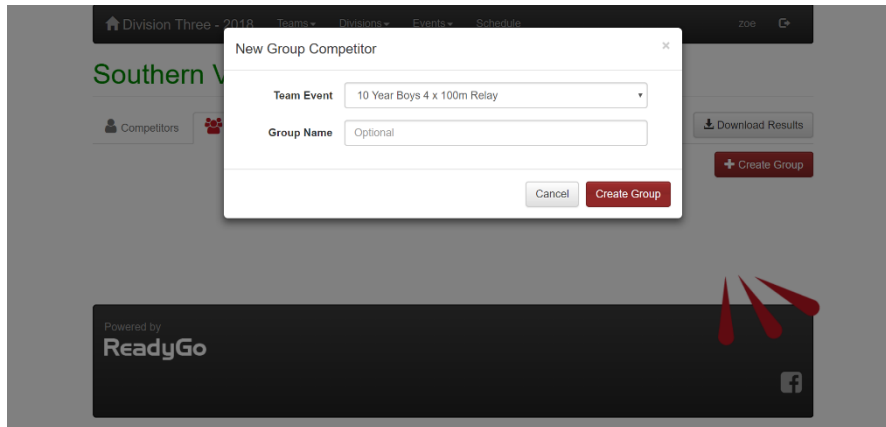

## How to import more competitors into the program

- If you would like to add competitor into the program you will need to go to the menu bar at the top of the screen (black) and click on “Teams”. If you choose your team name it will then show you a list of all of your competitors sorted into age and gender. Scroll down to the bottom of the page and there will be a red box that says, “New Competitor”. If you click on that box, you can then add in a new competitor. They will then be added into the program.

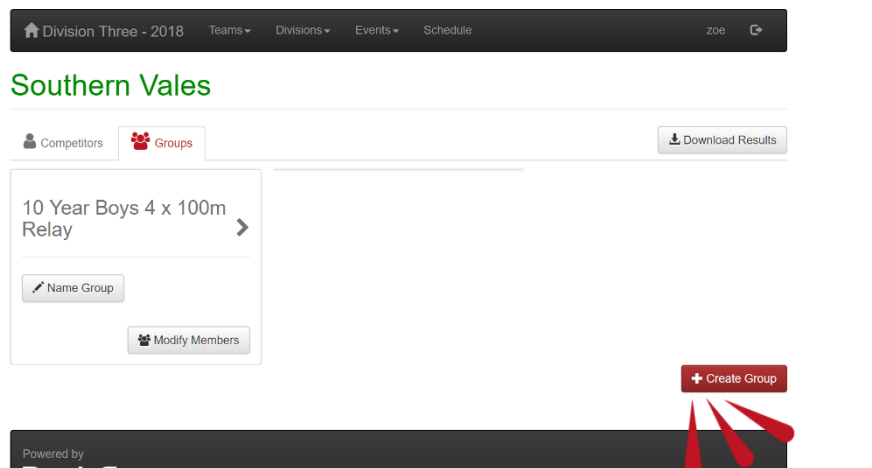

## How to enter teams into relay events

1. Once you have entered into your division, you will need to go to the menu bar at the top of the screen (black) and click on "Teams". If you choose your school name and then click on the "groups" tab. Click on "Create Group" and this will bring up another box. You are then able to select the "Team Event" by using the drop down arrow. You are also able to give your team a group name if you want, but this is optional. You can keep adding these groups until all of the relays have been added.

2. Once you have entered a relay team, it will appear in the program as shown below. You can then change the Name of the group if you want (not compulsory) and you can also add in the names of each competitor in your relay team (this is also not compulsory).

---

## ON THE DAY

# IMPORTANT INFORMATION

## Stadium Spectators Cost

Athletics SA charge a fee for spectators. Please see fee below and make your parents aware of this cost. Competitors, staff and officials are not charged any fee for entering the stadium.

Adults: **Free**

Concession: **Free**

## Number of Events per Competitor

**Division One Schools:** Competitors are restricted to 4 individual events, plus 2 relays.

**Division Two and Three Schools:** Competitors are restricted to 5 individual events, plus 2 relays.

**Each school can only send 1 competitor per event (except for relays).**

Students may only compete in an event ONCE. If they choose to compete in a higher age group, they therefore forfeit their position in that event in any other age group. E.g., if a 10 year old girl has competed in High Jump in the U11 age group, she cannot compete in High Jump again. If she chooses to compete in U12 High Jump, she therefore will not be able to compete in U11's.

Students are not allowed to compete in a lower age group.

## Age of Competitors (2024)

See below for the age groups that athletes can compete in.

Year of Birth	Age Group
2012	12 yr olds
2013	11 yr olds
2014	10 yr olds
2015	9 yr olds
2016	8 yr olds
2017	8 yr olds

All students must compete in their **year of birth** as shown above in any events.

Students that wish to compete in an older age group may do so, but may only compete in either the 8yr old's - 12yr old's Athletics Carnival or the 13yr old's - Open Athletics Carnival, not both.

## Point Allocations

All track and field events from each division will use the same points scale below.

	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup>	6 <sup>th</sup>	7 <sup>th</sup>	8 <sup>th</sup>	9 <sup>th</sup>	10 <sup>th</sup>
All Track & Field Events	10	9	8	7	6	5	4	3	2	1

**Please note: This will vary depending on how many schools in each division**

## **Trophy Presentation**

---

### ***Championship Trophy***

The Championship Trophy for each division is awarded for highest points scored on day.

### ***Challenge Shield***

As an addition to the Championship Trophy, SACSA Sports presents a second Trophy called the Challenge Shield. The Challenge Shield is awarded by dividing the number of points that each school receives by the number of students enrolled at their school (Years 3-6). This gives more opportunities for our smaller schools to be rewarded for their efforts in divisions 2 & 3.

- If you are in Division 2 and you have less than 100 students, your final points are divided by 100.
- If you are in Division 3 and you have less than 50 students in your school, your final points score is divided by 50.

## **Preparation of Marshals, Judges, Timekeepers etc.**

---

Schools providing marshals and officials to assist in the running of events must ensure they are familiar with measuring tapes and any information necessary to capably do their job. Please make sure that your staff and students are aware of any important points. We must ensure that all staff and students act under the rules and expectations set down for the benefit of all.

Please make sure each Field event official asks the competitors in each age group if they will need to leave to attend a track event and are going to come back. The Official will need to make note of this on their sheet so they are aware of which students will be returning.

## **Times/Distances**

---

Previous records will be recorded on score sheets for comparison.

Field Event Officials please notify the announcer of records being broken.

## **Relays**

---

The onus is on each school to ensure relay teams are organized and aware of basic changeover rules.

Unfortunately, due to the time restraints of the event, the Relay Marshals will not wait for teams that are late. Students will report directly to their relay positions. E.g., Starting runner to the start area, 2<sup>nd</sup> runner to first changeover, 3<sup>rd</sup> runner to second changeover and 4<sup>th</sup> runner to last changeover.

Relay Marshals will call the age groups out. Relays are only worth single points.

## Uniform

---

School sports coordinators must ensure that all competing students are dressed in correct PE/Athletic uniform. Hats should be worn when waiting to compete. For track events students MUST be in shorts (not track pants) & school PE shirt / Athletics top, however they are permitted to wear track pants for field events.

## Footwear and Shoes

- Footwear is compulsory for ALL athletes in ALL events.
- All shoes must be a running style shoe. A running style shoe is one that encloses the foot and is fastened with laces and/or Velcro.
- The wearing of footwear with blades or cleats constructed of hard plastic will not be permitted. All spike shoes must be worn with all holes filled with a complete set of spikes with no more than two blanks/slugs installed.
- Spike shoes (5ml max) will only be permitted to be worn in the events listed in the following table:

Age Groups	Track Events	Field Events	Relays	Cross-Country
U9, U10	No spike shoes allowed	No spike shoes allowed	No spike shoes allowed	No spike shoes allowed
U11, U12	All events run entirely in lanes	All jump events	4x100m	No spike shoes allowed

## Clash of Events

---

- Track events have priority.
- Competitors need to notify the field event official before moving to the track event.
- Competitors need to return to the field event in the allocated event time.
- Please be aware of event closing times to ensure you return prior to this time.
- Once any event is closed, it will not be reopened.
- High Jump – A High Jump official will let a competitor have 1 attempt at consecutive heights rather than 2 attempts at each height if returning from a track event until they hit the height everyone else is at. If the competitor chooses to re-enter at the height it is at, they can and normal jumping rules apply.

## Location of Field Events

---

Please spend time explaining the different locations to your competitors. An updated map is included in this booklet and will also be accessible online. Allocate a known “go to” adult for students in each school.

## Lost Property

---

There will be a place by the recorder’s table for lost property. All school coordinators need to check this at the end of the day as no gear will be taken from the SA Athletics Stadium.

## Weather Policy

---

Please refer to the SACSA Sports Weather Policy at [www.sacsasports.com.au](http://www.sacsasports.com.au)

## Students Not Competing

---

Students not competing must remain in their designated areas.  
Schools must ensure non-competing students are supervised at all times.

## Areas Out of Bounds

---

Students are to stay clear of the finish line as the photo finish will be in use, the recorder's table and field event areas and they are not permitted on the infield unless they are competing and moving to an event.

***Please make sure that your staff and students are aware of any important points.  
We must ensure that all staff and students act under the rules and expectations set down for the benefit of all.***

---

# OFFICIALS

---

## Schools providing Marshals/Helpers.

To assist in the running of events must ensure they are familiar with measuring tapes and any information necessary to capably do their job.  
Please make sure that your staff and students are aware of their duties.  
We must ensure that all staff and students act under the rules and expectations set down for the benefit of all.

## Field Event Referee

---

- Meet with field event officials before start of day.
- Review correct procedures, recording of the field events & duty of care.
- Ensure all field events are being conducted correctly throughout the day.
- Administer correction if there are any inconsistencies with the measurement of throws or jumps in reference to the specifications and rules of the respective event.

## Field Event Officials

---

- Be on time for pre start meeting
- Know the correct procedures for running the event
- Hand out ribbons to 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place getters
- Please do not close an event until the allocated time, even if you have no other competitors.
- Ensure all results sheets are completed i.e., points and position columns
- A specified runner has been allocated to come around and collect your results sheets. Please check that each results sheet is complete before giving it to the runner
- Compare winning throw or jump with previous record and send a runner to notify the announcer if records are broken

## Track Referee

---

- Observes all track events i.e., sprints, middle distance, relays.
- Check to see all races are starting at the correct starting point
- Work with other Track Officials
- Keep the track area cleared of students and parents that are not competing
- Adjudicate any problems arising that could lead to disqualification of an athlete and/or relay team

## **Starters Marshal 1 & 2: Team A and Team B**

---

- Each Team will have two staff members to marshal students at the start line.
- Team A marshal the students at the start of the 70/400/200.
- Team B marshal the students at the start of the 100/800/Relays.
- Halfway through Team A marshalling the 70m, Team B should move to the 100m and begin marshalling these competitors, so we can start the 100m straight away.
- Then, halfway through the 100m, Team A should be at the 400m and begin marshalling those competitors so as soon as the 100m finishes, the 400m can start.
- When marshalling, make sure all competitors are in their age groups and lanes.

## **Starter: Team A and Team B**

---

- Starter for Team A will start all track races.
- Call up competitors for each perspective race
- Shout the following commands:
  - Runners take your mark
  - Set – (let runners who are crouch starting, get set) & wait until all competitors are still.
  - Fire Gun (If false start, fire gun twice and restart race)
- Communicate with Finish Marshal and Starter Marshal as to whether all is ready for the next race.
- Ensure track is clear before beginning event.

## **Finish Track Marshal**

---

- Keep runners in correct finishing order and direct them to the recording table
- Work with Chief Judge.

## **Chief Judge**

---

- Responsible for place judges
- Ensure 1 placegetter is allocated for each place or at least for 1 to 5 places and then double up.
- Ensure correct place getters cards are given to the competitor in order of how they finish.
- Communicate with Starter Marshall to indicate whether all judges are in position for the next event
- Check that the light is on at photo finish before starting next race
- Responsible for back up time keeping

## **Track Event Recorder**

---

- Handout ribbons to 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>

## **Field & Track Event Results Sheet Collector**

---

- Please meet the field referee at the SACSA marquee at the start of the day for instructions.

# EVENT-SPECIFIC GUIDELINES /DESCRIPTION

## FIELD EVENTS

- Please make sure you find out which students may need to leave to compete in other events during your event. You will need to mark this on your record sheet so you know who to expect back.
- Please do not close an event until the allocated time, even if you have no other competitors.
- Ensure all results sheets are completed i.e. points and position columns
- Hand out ribbons to 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place getters.
- A specified runner has been allocated to come around and collect your results sheets. Please check that each results sheet is complete before giving it to the runner
- Compare winning throw or jump with previous record and send a runner to notify the announcer if records are broken

## High Jump

- Competitors need to notify the field event official before moving to the track event.
- Competitors need to return to the field event in the allocated event time.
- Please be aware of event closing times to ensure you return prior to this time.
- Bar height will not change if competitors arrive late. They will need to jump at the current bar height when they arrive.
- The competitor will get **1 attempt at consecutive heights** rather than 2 attempts at each height if returning from a track event until they hit the height everyone else is at.
- If the competitor chooses to re-enter at the height it is at, they can and normal jumping rules apply.
- Please ensure the next high jump event does not start late.
- If a student indicates that they need to leave, you may want to give them a few chances on some heights before they leave - Official's discretion.
- Two attempts only at each height; the last three jumpers will have 3 attempts.
- Students are allowed to start at any height, but they must clear the current height to be able to proceed.

### Starting heights

10 yr Girls	90 cm	10 yr Boys	1.00 m
11 yr Girls	95 cm	11 yr Boys	1.10 m
12 yr Girls	1.05 m	12 yr Boys	1.15 m

(Progression for all age groups = 5 rises of 5 cm and then 3 cm rises after that)

## Shot Put

---

Watch carefully to make sure the shot is put to the neck with one hand only. From the time movement begins, the shot shall be in close proximity to the neck or chin and the hand shall not be dropped below this position during the action of putting. The shot shall not be taken behind the line of the shoulders. If the shot is released and is removed from the neck as well as falling behind the shoulder axis, it is a foul. Be flexible, but teach proper entrance and exit from the back of the ring. Note that the correct measuring point is from **the inner edge of the circle**.

## Discus

---

The competitor must start the throw from a stationary position inside the circle. During the throw, the competitor may touch the inside edge of the circle or the inside edge of the line making the circle but may not touch any other part of the circle or the ground outside the circle. Proper entrance/exit from the back of the circle – be lenient but push it! Note correct measuring technique - is from the **inner edge of the circle**.

### Shot Put (Girls and Boys)

Age	Weight
9 yr	1.5 kg
10 yr	2 kg
11 yr	2 kg
12yr	2 kg

### Discus (Girls and Boys)

Age	Weight
10 yr	500 g
11 yr	500 g
12 yr	750 g

## Long Jump

---

The jump is measured from the mark in the sand made by the athlete's body part nearest to the take-off point.

All year levels will be measured from the **end of the take off line** (we no longer use a toe imprint on the mat, thus no chalking to be used).

## 800 Metres

---

### All divisions will run together

Generally, division 2 and 3 competitors will start on second 800m line  
Competitors will run together.

\*\*\*Any competitor that walks a distance race will be removed from the event, a disqualification will be given and a DNF will be recorded. \*\*\*

Judges will line up the students in the order they finished and will sort out division places and then give out ribbons.
