

BASKETBALL CARNIVAL (YEARS 3/4 TO OPEN)

Venue:

The Lights Sports and Community Centre 244 - 270 East Parkway, Lightsvue

Covid Requirements for the Carnival:

Each School is required to send the SACSA Executive Sports Coordinator (Luke Shearer) an attendance sheet of all participating students, staff and volunteers for each day. This can be done via email before the day and then updated on the day if needed (preferable) or printed and given on the day.

Covid safe numbers for this event : maximum 1000 people.

Parents and Spectators need to follow the below requirements:

- Unfortunately, Spectators at **indoor sporting events** are not allowed, unless the spectator person needs to be present as a **caregiver and comes with the school** for a participant. If possible, no more than one caregiver per participant should attend.
- Download the COVIDSafe app.
- Staff and Volunteer Parents all have to use QR Code or manually sign in when entering the venue or visit the SACSA Sports Officials area.
- Everyone needs to social distance Keep 1.5 metres distance from others wherever and whenever possible and must observe a density of 1 person per 4 square metres.
- If you or anyone have/has symptoms (even if mild), please don't attend stay at home
- Practice good hygiene. Regularly wash or sanitise your hands
- all indoor public places. This means indoor places that the public has access to, regardless of whether they must pay to access the place or can do so for free.
- Masks are not required if a person: is eating or drinking or is younger than 12 years old

Social distancing for schools

- Individual schools – no social distancing needed
- But social distancing applies between other schools (schools need to all be separated where possible
- During competition – no social distancing.
- Masks need to be used when not in competition.
