- **Mercy Rule**

Normal Basketball rules apply with some modifications:

- **A player may only score a maximum of 20pts per game.**
- **Fouls / foul shots:**
 - Only **three personal fouls** per player per game, then player sent off court on the third.
 - Only **five team fouls** per game then bonus shots from the foul line on the **sixth**.
 - Players who receive a technical foul for unsportsmanlike conduct will be reported to the SACSA Executive Sports Coordinator or Convener, who, at his or her discretion, may suspend that player for one match.
 - Foul shots to be taken from U10's foul line (**marked 1.8m in front of normal foul line**).
 - **No 3 pointers will be included.**

- **NO Zone Defense:**

Teams are **NOT ALLOWED** to play zone defense

Once the attacking team crosses the halfway line, the opponent must play man to man with no traps or zones. Players must follow their attacking opponent and not guard a certain section of the court e.g. standing in the middle of the keyway with no opponent to guard.

But will allow a split line defence – This is when a defender is keeping distance from the attacking player, only if the play is on the other side of the court.

This does not affect extended defences (full court pressing). The logic for this approach is that there is ample space available for both the defence and offence to maneuver within the full length and width of the court. The available space will make it difficult for the defense to pressure successfully if opponents possess basic passing, spacing and dribbling skills and likewise difficult for the offence to avoid the pressure if the defense possess superior defensive skills (please contact the Coordinator or Convenor to clarify this rule if needed).

Teams will be penalized with a technical foul if they continue to play the zone.
