## SACSA CROSS COUNTRY RESULTS

### How to access Results

Results can be found at <https://tinyurl.com/yagus2ev>. You will then need to click on the event name and then the individual.

Results will be put up on the website within 5 minutes of each race.

### How to access Certificates

Certificates will also be available at the above web address.

To access certificates, you will need to click on the event name, click on the competitor name and then click on Certificate. This will redirect you to a printable PDF with all race details.
