- The result of the match between the teams concerned (if a two-way tie).

24. Finals Rules:

- During Finals (this only applies to games where the result will make a difference to whether they get into the next finals game or not), if the game results in a draw, once the horn has been blown to end the game, the following will occur:
 - The teams have 30 seconds to sub if needed. All students still playing must stay on court and go back to centre pass position immediately.
 - The game will start again with the next in turn centre pass.
 - The game will then be played for 2 minutes and the team with the most goals will win.
