DIVISION 1 BOOKLET

SACSA SPORTS RIJKEN CUP...

Welcome to SACSA Sport. Please keep this booklet readily available to reference and use throughout the carnival week to assist you with your planning for each day.

PHILOSOPHY AND RATIONALE

- The South Australian Christian Schools Association exists primarily to give its member schools the opportunity for participation in the sports offered within this document.
- The aims of SACSA Sport are to promote and develop Christian community within its member schools and to witness to each other and the wider community an authentic faith. Such an approach primarily emphasises the following aspects of sporting competition:
 - The pleasure of both individual and team participation.
 - The cognitive, aesthetic, expressive, physical, cultural and social benefits for each individual involved.
 - The cultivation of the most important character qualities and attitudes; principally good sportsmanship, persistence, courage and commitment.
- The SACSA Sports Rijken cup is designed to be a signature event for year 12 and 11 students of SACSA member schools, to participate at a high level in various sports activities for their school. The aim is to provide a different SACSA Sports experience for students with longer games with full rules. The concept was devised to condense SACSA sporting events into a week event to take place in term 2. This has been done so that year 12 and 11's can then focus on their studies for the remainder of the year. The event will take place over five days with some night events. The SACSA Sports Rijken cup is more than just a sporting event. It is an opportunity for our Christian athletes to come together in fellowship showcasing the talents given to them by our Lord Jesus Christ while honouring him in the process. Further to this, SACSA Sports aims to develop a strong devotion program for the week. Schools are encouraged to bring spectators, create chants and songs and embrace their school spirit. On behalf of the SACSA Sports Executive we welcome you to this event and hope that it is an experience your students will remember as a highlight of their schooling life.
