WHAT'S DUE WHEN

You will firstly need to complete the online **"intent to compete"** form that can be found at www.sacsasports.com.au/nominations. This is due by no later than:

Friday 9TH FEBRUARY 2024

Example in how to fill out

Collingwood (School Name)							
Year Level / Age Group (leave)							
Student Name	Event Numbers						
Nick Daicos	11	23	47	71	107		
Scott Pendlebury	19	39	63	103			

The excel spreadsheet file will need to be sent back to the SACSA Sports Coordinator via email to luke@sacsasports.com.au by no later than:

Friday 23rd February 2024

You will be sent this file above as soon as your schools nomination has been made.

Please add your students names and the event number from the carnival program into the file. Please leave the headings as they are.

Also add the event number if the student is swimming in relays.

ON THE DAY

For a smooth start to the day, please take note of the following:

- **8.00 - 8.30am**
 - All Swimming coordinators must be at the venue.
If this is not possible, please contact the SACSA Executive Sports Coordinator prior to the carnival.
 - See maps for where you need to go for Buses, entrance and spectating.
 - All teams need to head straight to the grandstand on the first level.
 - Swimmers will then have the chance to warm up in the pool til 8:50am in allocated lanes.
- **8.35am**
 - All coaches, officials and marshals must report to the convenor on the east end of the pool deck to collect folders and get final instructions.
- **8.50am**
 - Warm up time over
 - Opening by convenor
- **8:55am**
 - All officials and marshals must be at their respective areas.
 - 100m swimmers should be at the Pre-Starters Marshalling area under the grandstand in the marshalling room. Swimmers only.
 - ****All changes/substitutions of swimmers must be completed by 9.15am.**
Please see Pre starters marshalling area.
 - No more changes after this time.
- **9.15am**
 - **Events begin**
- **2.34pm**
 - Last race begins
- **2.45pm**
 - Closing / Presentations / pack up
- **3pm**
 - Leave and thanks for coming.

RULES OF COMPETITION

1. Divisions have been set up to accommodate for the large number of schools competing. Due to time constraints every event will be a final and **The fastest time will win the event.**
2. Lanes **will be** allocated, so please have a look at the program and make sure your competitors know which lane they are in for their races.
There will be a Starters Marshal to remind students if they forget.
3. **DIVISIONS** – There will be divisions for 2024. Div 1 & Div 2 (dependent on the number of schools entering)
Each school can only send **1 competitor per event** (except for relays).
4. **2024 AGE GROUPS** – Please see table below for eligible age groups.

Year of Birth	Age Group
2006, 2007 & 2008	Open
2009	15 Yrs.
2010	14 Yrs.
2011	13 Yrs.
2012	12 Yrs.
2013, 2014 & 2015	11 Yrs.

5. **OPEN EVENTS** – Available to girls and boys (regardless of age)
i.e., fastest male and female swimmers in any of the above age groups.

6. NUMBER OF EVENTS

Competitors can compete in no more than 5 individual events, plus 1 relay.

Please note: Competitors may only compete in an event ONCE.

If they choose to compete in a higher age group, they then forfeit their position in that event in any other age group.

E.g., if a 12-year-old has competed in the 12-year-old 50m backstroke, they cannot compete in any other backstroke event. Or if they choose to compete in the Open 50m backstroke event, they will not be able to compete in 12-year-old backstroke event.

Competitors are not allowed to compete in a lower age group.

7. POINT ALLOCATIONS

1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	All other places
10	9	8	7	6	5	4	3	2	1

8. **SCHOOL DUTIES** - Please see below for a full list of school duties.
9. Competitors must report to the pre marshalling area **20 minutes before their event commences**. There will be announcements throughout the day reminding schools.
10. **END OF EACH EVENT** – Competitors must remain in their lanes until told to leave the water. Then the **top 3 swimmers** will need to go directly to the scoring desk to receive their ribbons. The remaining swimmers must then return to the area reserved for their school in the grandstand. No swimmers are to remain on pool deck after each event.
11. Except where otherwise specified, the rules of Swimming SA will be observed.
12. **WARM UP** – Students are permitted to enter the pool 35 minutes before the opening ceremony commences. **They must be out of the pool by 8:50am.**
13. **SUBSTITUTIONS & SCRATCHINGS** – Substitute competitors must be notified prior to commencement of the carnival. **Changes need to be directed to the Pre-Starters Marshalling area behind the starting area BEFORE 9:15 AM.**
****If you are adding a competitor on the day that is not been previously set upon the program, you need to see Luke Shearer (with the students Name and event number) before seeing the Pre starters Marshalling area.**
14. **4 X 50 METRE RELAY** – Only one relay team per school per relay event permitted. Teams must consist of four swimmers from the same school **and no mixed genders**. The second, third and fourth members of a team must not dive from the parapet (and swimmers at the shallow end must start in the water) until the previous swimmer of their team touches it. **If you are unsure of entering a team please do so, it is easier to take a team out then to add one in.**
15. **PROTESTS** – The Swimming Coordinator from each school must notify the SACSA Coordinator or the Event Convenor of the intention to protest a result **within 5 minutes** of the event concluding. The inquiry will be discussed, and a decision will be made. The SACSA Coordinator and/or Event Convenor's decision is final.

16. METHOD OF STARTING – Long whistle | Take your marks | Beep.

The Starter - Confirm with the Starter referee that Starters Marshal and Finishing Marshal are ready to begin.

Long whistle – At the commencement of each event, the starter shall blow a long whistle is blown indicating that swimmers should take and maintain their positions on the starting platform. In backstroke and medley relay events, the starter blows a long whistle to indicate that swimmers shall enter the water.

Take your mark - On the Starter's command "take your mark", the swimmers shall immediately assume their starting position, in the forward start, with at least one foot at the front of the block, or, in backstroke and medley relay events, assume the backstroke starting position.

Signal - When all swimmers are stationary, the Starter shall give the starting signal. If Swimmers are delayed or unsteady after the "take your mark" command, the Starter shall immediately release all swimmers with the command "Stand Up" upon which the swimmers may stand up or step off the blocks.
Repeat procedure.

False start - Any swimmer starting before the starting signal shall be disqualified if the Starter Referee confirms the Starter's observation that a violation occurred. Swimmers remaining on the starting blocks shall be relieved from their starting positions with the "Stand Up" command and may step off the blocks. The Starter shall restart the race upon signal by the Referee.

When it becomes apparent, because of uneven motion or delay of the swimmers in assuming their positions, that a fair start will be difficult to achieve, the starter should give the command "stand up" or for backstroke starts, "stand down". Upon hearing this command, the swimmers should stand up on the starting platform; back stroke swimmers may relax.

Any swimmer who enters the water or back stroker who leaves the starting area shall be charged with a false start, except that a swimmer who would otherwise be charged with a false start may be relieved of the charge if the false start was caused by the swimmer's reaction to the command.

If a false start is observed and the starting signal has been given, the race should be continued and not recalled. In this case, any swimmers charged with a false start will be notified of the disqualification upon completion of the race. If the recall signal is activated inadvertently, no swimmer shall be charged with a false start and the Starter shall restart the race upon signal by the Referee.

STROKE JUDGING

FREESTYLE

SW 5.1 Freestyle means that in an event so designated the swimmer may swim any style, except that in Individual Medley or Medley Relay events, Freestyle means any style other than Backstroke, Breaststroke or Butterfly.

SW 5.2 Some part of the swimmer must touch the wall upon completion of each length and at the finish.

SW 5.3 Some part of the swimmer must break the surface of the water throughout the race, except it shall be permissible for the swimmer to be completely submerged during the turn and for a distance of not more than 15 metres after the start and each turn. By that point, the head must have broken the surface.

BACKSTROKE

SW 6.1 Prior to the starting signal, the swimmers shall line up in the water facing the starting end, with both hands holding the starting grips. Standing in or on the gutter or bending the toes over the lip of the gutter is prohibited. When using a backstroke ledge at the start, the toes of both feet must be in contact with the end wall or face of the touchpad. Bending the toes over the top of the touchpad is prohibited.

SW 6.2 At the signal for starting and after turning the swimmer shall push off and swim upon his back throughout the race except when executing a turn as set forth in SW 6.5.

The normal position on the back can include a roll movement of the body up to, but not including 90 degrees from horizontal. The position of the head is not relevant.

SW 6.3 Some part of the swimmer must break the surface of the water throughout the race. It shall be permissible for the swimmer to be completely submerged during the turn and for a distance of not more than 15 metres after the start and each turn. By that point the head must have broken the surface.

SW 6.4 When executing the turn, there must be a touch of the wall with some part of the swimmer's body in his/her respective lane. During the turn, the shoulders may be turned over the vertical to the breast after which an immediate, continuous single arm pull or immediate, continuous simultaneous double arm pull may be used to initiate the turn. The swimmer must have returned to the position on the back upon leaving the wall.

SW 6.5 Upon the finish of the race the swimmer must touch the wall while on the back in his/her respective lane.

BREASTSTROKE

SW 7.1 After the start and after each turn, the swimmer may take one arm stroke completely back to the legs during which the swimmer may be submerged. At any time prior to the first Breaststroke kick after the start and after each turn, a single butterfly kick is permitted. The head must break the surface of the water before the hands turn inward at the widest part of the second stroke.

INTERPRETATION: A butterfly kick is not part of the cycle and is only permitted at the start and after the turn at any time prior to the first Breaststroke kick.

SW 7.2 From the beginning of the first arm stroke after the start and after each turn, the body shall be kept on the breast. It is not permitted to roll onto the back at any time except at the turn after the touch of the wall where it is permissible to turn in any manner as long as the body is on the breast when leaving the wall. From the start and throughout the race the stroke cycle must be one arm stroke and one leg kick in that order. All movements of the arms shall be simultaneous and in the same horizontal plane without alternating movement.

SW 7.3 The hands shall be pushed forward together from the breast on, under, or over the water. The elbows shall be under water except for the final stroke before the turn, during the turn and for the final stroke at the finish. The hands shall be brought back on or under the surface of the water. The hands shall not be brought back beyond the hip line, except during the first stroke after the start and each turn.

SW 7.4 During each complete cycle, some part of the swimmer's head must break the surface of the water. All movements of the legs shall be simultaneous and on the same horizontal plane without alternating movement.

SW 7.5 The feet must be turned outwards during the propulsive part of the kick. Alternating movements or butterfly kicks are not permitted except as in SW 7.1. Breaking the surface of the water with the feet is allowed unless followed by a downward butterfly kick.

SW 7.6 At each turn and at the finish of the race, the touch shall be made with both hands separated and simultaneously at, above, or below the water level. The head may be submerged after the last arm pull prior to the touch, provided it breaks the surface of the water at some point during the last complete or incomplete cycle preceding the touch.

BUTTERFLY

SW 8.1 From the beginning of the first arm stroke after the start and each turn, the body shall be kept on the breast. It is not permitted to roll onto the back at any time except at the turn, after the touch on the wall, where it is permissible to turn in any manner as long as the body is on the breast when leaving the wall.

SW 8.2 Both arms must be brought forward simultaneously over the water and brought backward simultaneously under the water throughout the race, subject to SW 8.5.

SW 8.3 All up and down movements of the legs must be simultaneous. The position of the legs or feet need not be on the same level, but they shall not alternate in relation to each other. A breaststroke kicking movement is not permitted.

SW 8.4 At each turn and at the finish of the race, the touch shall be made with both hands separated and simultaneously, at, above or below the water surface.

SW 8.5 At the start and at turns, a swimmer is permitted one or more leg kicks and one arm pull under the water, which must bring him to the surface. It shall be permissible for a swimmer to be completely submerged for a distance of not more than 15 metres after the start and after each turn. By that point, the head must have broken the surface. The swimmer must remain on the surface until the next turn or finish.

**This is an extraction from the Swimming SA Swim Rules (Swim Strokes) updated 2018

PORTSIDE	Entry/Hallway Security	Staff x 1
SVCC	Entry/Hallway Security	Staff x 1

DUTY DESCRIPTION

PRE-STARTERS MARSHAL & HELPER

Pre-Starters Marshal uses the event sheets to check name changes and tick once correct.

Then they will place the swimmers in their correct lane order and ask them to sit down and wait to be called by the Starters Marshal.

The Helper will assist in lane orders, transitioning students and handing the Starters Marshal the event sheets as required.

STARTERS MARSHAL

Once the Pre-Starters Marshal has seated competitors in lane order,

The Starters Marshal takes each event form the pre starters marshal and then calls the competitors up to the end of the pool to line up in lane order.

STARTER

The Starter looks to the Starters Marshal to make sure everyone is ready.

They then start each event and watch for false starts.

TIMING MARSHALS

Timing Marshal makes sure swimmers are finished.

They then hold up the white flag to the starter once the pool is clear.

When each event ends, they encourage swimmers to move out of the pool and go back to their schools areas.

FINISHING MARSHAL

Oversee proceedings at the finish end of the pool.

When each event ends, they encourage swimmers to move out of the pool and go back to their schools areas.

LUNCH BREAKS/RELAY JUDGE Finish & Start

Give each person on duty a half hour lunch break. You will need to find out what you need to do during that duty. During Relay time, you will need to stay at your designated end of the pool (Start or Finish) and make sure swimmers do not take off before their teammate has hit the wall.

Disqualification is given if this is seen.

ENTRY/HALLWAY SECURITY

Oversee The Main Entrance allowing SACSA Schools students, parents and spectators in or out of the venue.

Oversee the Hallway areas for transitioning students and staff in helping direct them to the correct areas of the Venue.
