WHAT'S DUE WHEN

You will firstly need to complete the online **"intent to compete"** form that can be found at www.sacsasports.com.au/nominations. This is due no later than:

Friday 6TH FEBRUARY 2026

Once you have nominated online, you will need to send in **CSV. excel spreadsheet**.

*This file will need to contain a list of your swimming team (in the format below)

The CSV. excel spreadsheet will need to look like the one below:

Name	Date of birth	Gender	Team	Year level
John Smith	DD-MM-YYYY	M	Sunrise	6

Please note:

If you are unable to send the name in one column, you can send two columns with first name and last name. The coordinator will change this for you.

*A How to, will be on the SACSA Sports website under swimming.

The CSV. excel file will need to be sent back to the SACSA Sports Coordinator via email to luke@sacsasports.com.au by no later than:

Friday 20th February 2026

The CSV. excel lists will be entered into ReadyGo shortly after they have been sent.

Once this has been done, you will be able to enter your students into their events online. Please read below for a step-by-step process on how to enter your team into ReadyGo.

You will need to enter your competitors into ReadyGo no later than:

Thursday 26th February 2026

READY GO PROGRAM

How to set up an account/login

You will be sent an email shown below:

Hello,

Luke Shearer has added you for the role of "Sports Coordinator" on ReadyGo Sports Day Manager. Click here to accept your role.

Please note, you will be directed to log in or to create an account if you have not already done so.

Thank you

Once you clicked on the words "click here to accept your role" in your email, you will be directed to the ReadyGo website (<http://www.readygo.com.au>).

You will see the following screen:

If you did not use the Ready Go program last year, please click on "New here? Create an account..." at the bottom of the red login box. Please enter your name, email address and set up a password as shown below. If you have used it before and cannot remember your password, please click on "Forgot Password...". Otherwise, login as you did last year.

How to enter competitors into events

You will then be directed to the dashboard where you will see our name “SACSA” in grey. Please click on one of the options in red below “SACSA” to enter straight into your carnival.

Once you have entered into the carnival, you will see the following screen (example below is from Athletics).

You can now start placing competitors into their events by clicking on “Events” (either the grey option or on the top black menu bar at the top of the page).

If you click on each individual event, you will have the option to choose the age group you would like to enter competitors into as shown below.

Alternately, if you would like to add competitors into events by age groups, you can click on "Divisions" on the black menu bar at the top of the screen. This will show a drop down as shown below. You can then access all the events in that age group.

Once you are into the correct event and age group, you will see the screen below (shown for the 14 Year Boys 100m event) ...

You then need to click on “+Add Competitor” tab on the right-hand side of the screen.

You can now either use the drop down to add your competitor to the event or type in their name. If you are adding a competitor that is younger than the age group, you just need to type his name in the “Younger Competitors” section.

How to remove a competitor from an event

To remove or change a competitor that you have already entered, please go to the specific event (e.g., 100m, 12 Year Girls) and click on the “admin” tab as shown below. By clicking on the bin to the right of the competitor’s name, you will be able to delete them.

How to import more competitors into the program

If you would like to add competitor into the program you will need to go to the menu bar at the top of the screen (black) and click on “Teams”. If you choose your team’s name, it will then show you a list of all your competitors sorted into age and gender. Scroll down to the bottom of the page and there will be a red box that says, “New Competitor”. If you click on that box, you can then add in a new competitor. They will then be added into the program.

How to enter teams into relay events

Once you have entered your division, you will need to go to the menu bar at the top of the screen (black) and click on "Teams". If you choose your school's name and then click on the "groups" tab. Click on "Create Group" and this will bring up another box. You are then able to select the "Team Event" by using the drop-down arrow. You are also able to give your team a group name if you want, but this is optional. You can keep adding these groups until all the relays have been added.

Once you have entered a relay team, it will appear in the program as shown below. You can then change the Name of the group if you want (not compulsory) and you can also add in the names of each competitor in your relay team (this is also not compulsory).

ON THE DAY

For a smooth start to the day, please take note of the following:

8.15 - 8.30am

All teams must be arriving at the venue from this time.

See maps for where you need to go for Buses, entrance and spectating.

All teams need to head straight to the grandstand on the first level.

*Please fill out the grandstand from the front first please.

Swimmers will then have the chance to warm up in the pool til 8:50am in allocated lanes.

8.35am

All coaches, officials and marshals must report to the convenor in the Pre Starters Marshalling Room under the main grandstand to collect folders and get final instructions.

8.50am

Warm up time over

Opening by convenor

9:00am

All officials and marshals must be at their respective areas.

100m swimmers should be at the Pre-Starters Marshalling area under the grandstand in the marshalling room. Swimmers only.

****All changes/substitutions of swimmers must be completed by 9.00am.**

Please see Pre starters marshalling area.

No more changes after this time.

9:15am - First Event begins

2.00pm - Last race begins

2.10pm - Closing / Presentations / pack up & clean up your areas
All teams' representatives (captains) attend the far side of the pool.

2:30pm - Leave and Thanks for coming.

Updated 12th February

RULES OF COMPETITION

1. Divisions have been set up to accommodate for the large number of schools competing. Due to time constraints every event will be a final and **the fastest time will win the event.**

2. Lanes **will be** allocated, so please have a look at the program and make sure your competitors know which lane they are in for their races.

There will be a Starters Marshal to remind students if they forget.

3. **DIVISIONS** – For 2026 there will be Div 1 & Div 2 for Secondary and Primary (dependent on the number of schools entering)
Each school can only send **1 competitor per event** (except for relays).

4. **2026 AGE GROUPS** – Please see table below for eligible age groups.

Year of Birth	Age Group
2008, 2009 & 2010	Open
2011	15 Yrs.
2012	14 Yrs.
2013	13 Yrs.
2014	12 Yrs.
2015	11 Yrs.
2016	10 Yrs.

5. **OPEN EVENTS** – Available to girls and boys (regardless of age)
i.e., fastest male and female swimmers in any of the above age groups.

6. NUMBER OF EVENTS

Competitors can compete in no more than 5 individual events, plus 1 relay.

Please note: Competitors may only compete in an event ONCE.

If they choose to compete in a higher age group, they then forfeit their position in that event in any other age group.

E.g., if a 12-year-old has competed in the 12-year-old 50m backstroke, they cannot compete in any other backstroke event. Or if they choose to compete in the Open 50m backstroke event, they will not be able to compete in 12-year-old backstroke event. Competitors are not allowed to compete in a lower age group.

7. POINT ALLOCATIONS

1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	All other places
10	9	8	7	6	5	4	3	2	1

8. **CHAMPIONSHIPS** will be given out to both Secondary and Primary Div 1 & 2.
As well as a Div 2 Challenge Shield.
9. Competitors must report to the pre-marshalling area **20 minutes before their event commences**. There will be announcements throughout the day reminding schools.
10. **END OF EACH EVENT** – Competitors must remain in their lanes until told to leave the water.
Then the **top 3 swimmers** will need to go directly to the scoring desk to receive their ribbons.
The remaining swimmers must then return to the area reserved for their school in the grandstand. No swimmers are to remain on pool deck after each event.
11. Except where otherwise specified, the rules of Swimming SA will be observed.
12. **WARM UP** Students are permitted to enter the pool 35 minutes before the opening ceremony commences. **They must be out of the pool by 8:50am.**
13. **SUBSTITUTIONS & SCRATCHINGS** – Substitute competitors must be notified prior to commencement of the carnival. **Changes need to be directed to the Pre-Starters Marshalling area under the Grandstand BEFORE 9:00 AM.**
****If you are adding a competitor on the day that has not been previously set up on the program, you need to see Luke Shearer.**
****with the Students Name/Gender/Birthdate and Event number****
at the Pre starters Marshalling area.
14. **4 X 50 METRE RELAY** – Only one relay team per school per relay event permitted.
Teams must consist of four swimmers from the same school **and no mixed genders**.

The second, third and fourth members can dive from the parapet (blocks) once the swimmer in the pool has touched the wall. **If you are unsure of entering a team please do so, it is easier to take a team out than to add one in.**
15. **PROTESTS** – The Swimming Coordinator from each school must notify the SACSA Coordinator or the Event Convenor at the Finish line of the intention to protest a result **within 5 minutes** of the event concluding. The inquiry will be discussed, and a decision will be made. The SACSA Coordinator and/or Event Convenor's decision is final.

METHOD OF STARTING

Long whistle | Take your marks | Beep.

The Starter - Confirm with the Starter referee that Starters Marshal and Finishing Marshal are ready to begin.

Long whistle – At the commencement of each event, the starter shall blow a long whistle is blown indicating that swimmers should take and maintain their positions on the starting platform. In backstroke and medley relay events, the starter blows a long whistle to indicate that swimmers shall enter the water.

Take your mark - On the Starter's command "take your mark", the swimmers shall immediately assume their starting position, in the forward start, with at least one foot at the front of the block, or, in backstroke and medley relay events, assume the backstroke starting position.

Signal - When all swimmers are stationary, the Starter shall give the starting signal. If Swimmers are delayed or unsteady after the "take your mark" command, the Starter shall immediately release all swimmers with the command "Stand Up" upon which the swimmers may stand up or step off the blocks.
Repeat procedure.

False start - Any swimmer starting before the starting signal shall be disqualified if the Starter Referee confirms the Starter's observation that a violation occurred. Swimmers remaining on the starting blocks shall be relieved from their starting positions with the "Stand Up" command and may step off the blocks. The Starter shall restart the race upon signal by the Referee.

When it becomes apparent, because of uneven motion or delay of the swimmers in assuming their positions, that a fair start will be difficult to achieve, the starter should give the command "stand up" or for backstroke starts, "stand down". Upon hearing this command, the swimmers should stand up on the starting platform; backstrokers may relax.

Any swimmer who enters the water or back stroker who leaves the starting area shall be charged with a false start, except that a swimmer who would otherwise be charged with a false start may be relieved of the charge if the false start was caused by the swimmer's reaction to the command.

If a false start is observed and the starting signal has been given, the race should be continued and not recalled. In this case, any swimmers charged with a false start will be notified of the disqualification upon completion of the race. If the recall signal is activated inadvertently, no swimmer shall be charged with a false start, and the Starter shall restart the race upon signal by the Referee.

STROKE JUDGING

FREESTYLE

SW 5.1 Freestyle means that in an event so designated the swimmer may swim any style, except that in Individual Medley or Medley Relay events, Freestyle means any style other than Backstroke, Breaststroke or Butterfly.

SW 5.2 Some part of the swimmer must touch the wall upon completion of each length and at the finish.

SW 5.3 Some part of the swimmer must break the surface of the water throughout the race, except it shall be permissible for the swimmer to be completely submerged during the turn and for a distance of not more than 15 metres after the start and each turn. By that point, the head must have broken the surface.

BACKSTROKE

SW 6.1 Prior to the starting signal, the swimmers shall line up in the water facing the starting end, with both hands holding the starting grips. Standing in or on the gutter or bending the toes over the lip of the gutter is prohibited. When using a backstroke ledge at the start, the toes of both feet must be in contact with the end wall or face of the touchpad. Bending the toes over the top of the touchpad is prohibited.

SW 6.2 At the signal for starting and after turning the swimmer shall push off and swim upon his back throughout the race except when executing a turn as set forth in SW 6.5.

The normal position on the back can include a roll movement of the body up to but not including 90 degrees from horizontal. The position of the head is not relevant.

SW 6.3 Some part of the swimmer must break the surface of the water throughout the race. It shall be permissible for the swimmer to be completely submerged during the turn and for a distance of not more than 15 metres after the start and each turn. By that point the head must have broken the surface.

SW 6.4 When executing the turn, there must be a touch of the wall with some part of the swimmer's body in his/her respective lane. During the turn, the shoulders may be turned over the vertical to the breast after which an immediate, continuous single arm pull or immediate, continuous simultaneous double arm pull may be used to initiate the turn. The swimmer must have returned to the position on the back upon leaving the wall.

SW 6.5 Upon the finish of the race the swimmer must touch the wall while on the back in his/her respective lane.

BREASTSTROKE

SW 7.1 After the start and after each turn, the swimmer may take one arm stroke completely back to the legs during which the swimmer may be submerged. At any time prior to the first Breaststroke kick after the start and after each turn, a single butterfly kick is permitted. The head must break the surface of the water before the hands turn inward at the widest part of the second stroke.

INTERPRETATION: A butterfly kick is not part of the cycle and is only permitted at the start and after the turn at any time prior to the first Breaststroke kick.

SW 7.2 From the beginning of the first arm stroke after the start and after each turn, the body shall be kept on the breast. It is not permitted to roll onto the back at any time except at the turn after the touch of the wall where it is permissible to turn in any manner as long as the body is on the breast when leaving the wall. From the start and throughout the race the stroke cycle must be one arm stroke and one leg kick in that order. All movements of the arms shall be simultaneous and in the same horizontal plane without alternating movement.

SW 7.3 The hands shall be pushed forward together from the breast on, under, or over the water. The elbows shall be under water except for the final stroke before the turn, during the turn and for the final stroke at the finish. The hands shall be brought back on or under the surface of the water. The hands shall not be brought back beyond the hip line, except during the first stroke after the start and each turn.

SW 7.4 During each complete cycle, some part of the swimmer's head must break the surface of the water. All movements of the legs shall be simultaneous and on the same horizontal plane without alternating movement.

SW 7.5 The feet must be turned outwards during the propulsive part of the kick. Alternating movements or butterfly kicks are not permitted except as in SW 7.1. Breaking the surface of the water with the feet is allowed unless followed by a downward butterfly kick.

SW 7.6 At each turn and at the finish of the race, the touch shall be made with both hands separated and simultaneously at, above, or below the water level. The head may be submerged after the last arm pull prior to the touch, provided it breaks the surface of the water at some point during the last complete or incomplete cycle preceding the touch.

BUTTERFLY

SW 8.1 From the beginning of the first arm stroke after the start and each turn, the body shall be kept on the breast. It is not permitted to roll onto the back at any time except at the turn, after the touch on the wall, where it is permissible to turn in any manner as long as the body is on the breast when leaving the wall.

SW 8.2 Both arms must be brought forward simultaneously over the water and brought backward simultaneously under the water throughout the race, subject to SW 8.5.

SW 8.3 All up and down movements of the legs must be simultaneous. The position of the legs or feet need not be on the same level, but they shall not alternate in relation to each other. A breaststroke kicking movement is not permitted.

SW 8.4 At each turn and at the finish of the race, the touch shall be made with both hands separated and simultaneously, at, above or below the water surface.

SW 8.5 At the start and at turns, a swimmer is permitted one or more leg kicks and one arm pull under the water, which must bring him to the surface. It shall be permissible for a swimmer to be completely submerged for a distance of not more than 15 metres after the start and after each turn. By that point, the head must have broken the surface. The swimmer must remain on the surface until the next turn or finish.

DUTY DESCRIPTION

PRE-STARTER MARSHAL & HELPERS

Pre-Starters Marshal uses the event sheets to check name changes and tick once correct.

Then they will place the swimmers in their correct lane order and ask them to sit down and wait to be called by the Starters Marshal.

The Helper will assist in lane orders, transitioning students and handing the Starters Marshal the event sheets as required.

STARTERS MARSHALS

Once the Pre-Starters Marshal has seated competitors in lane order,

The Starters Marshal takes each event form the pre starters marshal and then calls the competitors up to the end of the pool to line up in lane order.

STARTER

The Starter looks to the Starters Marshal to make sure everyone is ready.

They then start each event and watch for false starts.

STROKE/FALSE START LANE JUDGE (if we are able to get one)

The Stroke Judge makes sure that all strokes are correct during each race.

If this is not the case, the stroke judge will let the finishing marshal know the lane and swimmer will be disqualified.

Watch for false starts.

TIMING MARSHALS

Timing Marshals will listen and take lead from the Finishing Marshal. Main role is to control the backup buttons for each lane and makes sure swimmers are finished.

When each event ends, they encourage swimmers to move out of the pool and go back to their schools' areas.

FINISHING MARSHAL

Oversee proceedings at the finish end of the pool.

When each event ends, they encourage swimmers to move out of the pool and go to the either the finishing desk or back to their schools areas.

They then hold up the white flag to the starter once the pool is clear.

ENTRY/HALLWAY SECURITY

Oversee The Main Entrance allowing SACSA Schools students, parents and spectators in or out of the venue. As well as keeping a look out on the Hallway areas for transitioning students and staff to help direct them to the correct areas of the Venue. This is shared across 2 schools and do an hour-on-hour off.
