

READY GO PROGRAM - SWIMMING

How to set up an account/login

1. You will be sent an email shown below:

Hello, Luke Shearer has added you for the role of "Sports Coordinator" on ReadyGo Sports Day Manager.

Click here to accept your role.

Please note, you will be directed to log in or to create an account if you have not already done so. Thank you

2. Once you clicked on the words "click here to accept your role" in your email, you will be directed to the ReadyGo website (<http://www.readygo.com.au>).
3. You will see the following screen:

The screenshot shows the 'Please sign in' page of the ReadyGo website. At the top is the ReadyGo logo (three red slanted lines). Below it is the heading 'Please sign in'. There is a 'Sign in with Google' button with the Google logo. Below that are two input fields: 'Email address' and 'Password'. Under the password field is a checkbox labeled 'Remember me'. At the bottom of the form is a red 'Sign in' button. Below the button, there is a link: 'New here? Create an account. Forgotten Password? Reset Password'.

4. If you did not use the Ready Go program last year, please click on "New here? Create an account..." at the bottom of the red login box. Please enter in your name, email address and set up a password as shown below. If you have used it before and cannot remember your password, please click on "Forgot Password...". Otherwise login as you did last year.

The screenshot shows the 'Register here' page of the ReadyGo website. At the top is the ReadyGo logo (three red slanted lines). Below it is the heading 'Register here'. Under the heading is a note: 'If you are a spectator, please use the guest code on the home page instead.' Below this are four input fields: 'Your Name', 'Email address', 'Password', and 'Confirm Password'. At the bottom of the form is a red 'Register' button.

How to enter competitors into events

- You will then be directed to the dashboard where you will see our name “SACSA” in grey. Please click on one of the options in red below “SACSA” to enter straight into your carnival. If you have forgotten which division your school is in, you can access the Athletics Booklet online (www.sacsasports.com.au/sports/athletics) to find out.

- Once you have entered into your division, you will see the following screen.

Go To: 2025 DIV 2 SECONDARY

- You then need to click on “+Add Competitor” tab on the right hand side of the screen.

- You can now either use the drop down to add your competitor to the event or type in their name. If you are adding a competitor that is younger than the age group, you just need to type his name in the “Younger Competitors” section.

How to remove a competitor from an event

- To remove or change a competitor that you have already entered, please go to the specific event (eg 100m, 12 Year Girls) and click on the “admin” tab as shown below. By clicking on the bin to the right of the competitor’s name, you will be able to delete them.

How to import more competitors into the program

1. If you would like to add competitor into the program you will need to go to the menu bar at the side of the screen (black) and click on "Teams". If you choose your team name it will then show you a list of all of your competitors sorted into age and gender. Scroll down to the bottom of the page and there will be a red box that says "New Competitor". If you click on that box, you can then add in a new competitor. They will then be added into the program.

The screenshot shows the ReadyGo web application interface. On the left is a dark sidebar menu with options like Dashboard, Teams, Competitors, Groups, and Registrations. The main content area is titled 'Cedar' and shows a list of competitors for '2025 DIV 1 SECONDARY / Cedar'. A modal window titled 'Add New Competitor' is open in the center, allowing users to enter a competitor's name, email, gender, and year of birth. Below the modal, a table lists existing competitors with columns for Name, Gender, Year of Birth, Points, and Email. The table includes a search bar and an 'Add' button at the bottom right.

How to enter teams into relay events

1. Once you have entered into your division, you will need to go to the menu bar at the side of the screen (black) and click on “Teams”. If you choose your school name and then click on the “groups” tab. Click on “Create Group” and this will bring up another box. You are then able to select the “Team Event” by using the drop down arrow. You are also able to give your team a group name if you want, but this is optional. You can keep adding these groups until all of the relays have been added.

2. Once you have entered a relay team, it will appear in the program as shown below. You can then change the Name of the group if you want (not compulsory) and you can also add in the names of each competitor in your relay team (this is also not compulsory).
