Competition Rules (6-a-side Modified Volleyball Rules)

Rules will be in accordance with the International Rules of Volleyball. Please refer to the following web page www.fivb.org/EN/Refereeing-Rules/RulesOfTheGame_VB.asp. The following rules are either modifications to the National Australian Volleyball rules or are reminders of **important rules** that need to be followed.

- A full size court will be used for all age groups with a net size of 2.10 metres.
- No net touches are permitted during play (includes netting and tape of the net)
- Teams will need to rotate clockwise when they win the serve back
- **Net touch rule;** Any part of the net, touched by a player in the act of playing the ball = net touch and loss of the point. A player cannot use the net to support themselves (e.g. from falling) or in any way that may distract/disadvantage the other team.
- **Next court rule:** If the ball or player infringes upon (or above the vertical plane of) any part of an adjacent court = loss of point. This ensures that players, in their attempt to play the ball, do not go charging across the next court, endangering other players.
- No attacking shots above the height of the net are to be played on the return of serve.
- Players may not make two consecutive hits of the ball.
- Serving
 - Always wait for umpires whistle to start
 - The ball must be hit with one hand AFTER being released from the hand. No footy passes.
 - On service, the ball can touch the net off the serve.
 - Service may be overarm or underarm. Players will need to serve from behind the baseline.

- 6/7 girls may serve the ball from just inside the baseline.
- For 6/7 and 8/9, after 5 successful serves, server must rotate, but the team maintains the service. This rule does not apply to 10/11's.
- Substitution Rules
 - Year 6/7's players can be subbed on and off within the rotation like school Volleyball.
 - Year 8/9 and 10/11 will follow the following Volleyball substitution rules
 - Players are not subbed on or off within the rotation as they might be in school Volleyball. Players can only be subbed on and off for the same player during the game.
 - A player who has entered the game can be replaced only with a player who s/he replaced (If player #12 replaces player #6, #12 can come back for player #6). No more subs are allowed concerning player #6 or player #12 with any other player.
 - Once a sub occurs and a player wishes to re-enter the set they must assume the original position in the service order in relation to other team mates. No change may be made in a player's position in the service order unless necessitated by an injury requiring an abnormal substitution.
 - The coach can make substitutions at any time during the game, except during play.
 - The coach will need to notify the umpire if a substitution is occurring and the umpire will hold play until substitution has finished.
- The team with the most points at the end of time, wins the game.
- Teams have three contacts to get the ball over the net. A block does not count as a contact
- The ball must be hit cleanly and may not be thrown, caught or scooped. The ball may legally contact any part of the body. Kicking is allowed.
- If the game ends in a draw

South Australian Christian Schools Association

- Draws are allowed in minor rounds.
- If there is a draw after the siren sounds in a finals round, the game will continue until one team wins by two points.
