Competition Rules (6-a-side Modified Volleyball Rules)

Rules will be in accordance with the International Rules of Volleyball. Please refer to the following web page www.fivb.org/EN/Refereeing-Rules/RulesOfTheGame_VB.asp. The following rules are either modifications to the National Australian Volleyball rules or are reminders of **important rules** that need to be followed.

- All age groups will use a full size court. The net height for opens will be 2.10 metres. Year 7/8 and 9/10 age groups will have a modified court height.
- No net touches are permitted during play (includes netting and tape of the net)
- Teams will need to rotate clockwise when they gain possession of the ball
- **Net touch rule:** Any part of the net, touched by a player in the act of playing the ball = net touch and loss of the point. A player cannot use the net to support themselves (e.g. from falling) or in any way that may distract/disadvantage the other team.
- **Next court rule:** If the ball or player infringes upon (or above the vertical plane of) any part of an adjacent court = loss of point. This ensures that players, in their attempt to play the ball, do not go charging across the next court, endangering other players.
- No attacking shots above the height of the net are to be played on the return of serve.
- Players may not make two consecutive hits of the ball.
- The team with the most points at the end of time, wins the game.
- Teams have three contacts to get the ball over the net. A block does not count as a contact
- The ball must be hit cleanly and may not be thrown, caught or scooped. The ball may legally contact any part of the body. Kicking is allowed.

- **Serving**
 - Always wait for umpires whistle to start
 - The ball must be hit with one hand AFTER being released from the hand. No footy passes.
 - On service, the ball can touch the net off the serve.
 - Service may be overarm or underarm. Players will need to serve from behind the baseline.
 - 7/8 girls may serve the ball from just inside the baseline. This means that they either start behind the baseline and take a step forward during their serve, or they start just inside the baseline with no further step when serving.

 - **Substitution Rules**
 - Players are not subbed on or off within the rotation. Players can only be subbed on and off for the same player during the game.

 - A player who has entered the game can be replaced only with a player who s/he replaced (If player #12 replaces player #6, #12 can come back for player #6). No more subs are allowed concerning player #6 or player #12 with any other player.

 - Once a sub occurs and a player wishes to re-enter the set they must assume the original position in the service order in relation to other team mates. No change may be made in a player's position in the service order unless necessitated by an injury requiring an abnormal substitution.

 - The coach can make substitutions at any time during the game, except during play.

 - The coach will need to notify the umpire if a substitution is occurring and the umpire will hold play until substitution has finished.
