  - Score sheets will need to be handed into a SACSA Official promptly.

(Please note: game times below are subject to change dependent on number of teams in draw.)

If this is not possible, please let the SACSA Executive Sports Coordinator know prior to the carnival.
4. Please remind your students that they may not wear anything that will endanger themselves or any other players e.g. NO jewellery or adornments

## Modified Rules of the Game:

---

- Rules will be in accordance with the International Rules of Volleyball. Please refer to the following web page [www.fivb.org/EN/Refereeing-Rules/RulesOfTheGame\\_VB.asp](http://www.fivb.org/EN/Refereeing-Rules/RulesOfTheGame_VB.asp).
- The following rules are either modifications to the National Australian Volleyball rules or are reminders of **important rules** that need to be followed.
  - Teams will need to rotate clockwise when they gain possession of the ball
  - No net touches are permitted during play (includes netting and tape of the net)
  - **Net touch rule;** Any part of the net, touched by a player in the act of playing the ball = net touch and loss of the point. A player cannot use the net to support themselves (e.g. from falling) or in any way that may distract/disadvantage the other team.
  - **Next court rule:** If the ball or player infringes upon (or above the vertical plane of) any part of an adjacent court = loss of point. This ensures that players, in their attempt to play the ball, do not go charging across the next court, endangering other players.
  - No attacking shots above the height of the net are to be played on the return of serve.
  - Players may not make two consecutive hits of the ball.
  - The ball must be hit cleanly and may not be thrown, caught, or scooped. The ball may legally contact any part of the body. Kicking is allowed.
  - Teams have three contacts to get the ball over the net. A block does not count as a contact
  - The team with the most points at the end of time, wins the game.
- **Serving**
  - Always wait for umpires whistle to start
  - The ball must be hit with one hand AFTER being released from the hand. No footy passes.
  - On service, the ball can touch the net off the serve.
  - Service may be overarm or underarm. Players will need to serve from behind the baseline.
  - **7/8 girls may serve the ball from just inside the baseline. This means that they either start behind the baseline and take a step forward during their serve, or they start just inside the baseline with no further step when serving.**

- **Substitution Rules**

- Players are not subbed on or off within the rotation.  
**Players can only be subbed on and off for the same player during the game.**
- A player who has entered the game can be replaced only with a player who s/he replaced (If player #12 replaces player #6, #12 can come back for player #6). No more subs are allowed concerning player #6 or player #12 with any other player.
- Once a sub occurs and a player wishes to re-enter the set they must assume the original position in the service order in relation to other team mates. No change may be made in a player's position in the service order unless necessitated by an injury requiring an abnormal substitution.
- The coach can make substitutions at any time during the game, except during play.
- The coach will need to notify the umpire if a substitution is occurring and the umpire will hold play until substitution has finished.
