WELCOME

Welcome to SACSA Sport. Please keep this booklet readily available to reference and use throughout the calendar year to assist you with your planning to be involved in SACSA's sporting programs.

PHILOSOPHY AND RATIONALE

- The South Australian Christian Schools Association exists primarily to give its member schools the opportunity for participation in the sports offered within this document.
- The aims of SACSA Sport are to promote and develop Christian community within its member schools and to witness to each other and the wider community an authentic faith. Such an approach primarily emphasises the following aspects of sporting competition:
 - The pleasure of both individual and team participation.
 - The cognitive, aesthetic, expressive, physical, cultural and social benefits for each individual involved.
 - The cultivation of the most important character qualities and attitudes; principally good sportsmanship, persistence, courage and commitment.

GUIDING PRINCIPLES

- SACSA desire is to promote broad participation in sport as part of the curriculum in all Christian Schools in South Australia and undertake to increase the quality and quantity of such activities within existing school frameworks.
- SACSA aims to provide avenues for the development for students who show ability in sports, with representative opportunities existing at both the local and national level.
- SACSA's main aim is to develop the collective spirit of unity, cooperation and friendship, in a positive, fun filled structured environment. SACSA sport is characterised by fun, enjoyment, participation, competition, challenge, character development and social interaction. SACSA is highly committed to establishing a wholesome competition structure so that children and young adults can benefit from their experiences.
- Wholesome competition that is commensurate with the age, interest and ability of each child emphasises participation rather than winning or losing.
- Competition exists in the daily life of every child in sport and in most aspects of life.
- Competition provides stimulation and challenges as well as the opportunity to apply, test and further develop skills in a game situation. Students should be satisfied with competing to the best of their ability and spectator behaviour should reflect this emphasis.
- Participation, developmental experience and enjoyment are the intrinsic goals of competitive sport in primary and secondary schools.

If you have any further questions, please contact the SACSA Executive Sports Coordinator with the provided contact information in the contacts section of this booklet.

ONLINE NOMINATIONS

The information for each of our Sports on the 2021 SACSAsports Program can be found online at www.sacsasports.com.au. Please click on 'Sports' from the menu bar and select the sport you wish to know more about. You will find the following; date, time, location, age groups, rules, draws and other general information. The cost for nominating a team can be found on the nomination form. See below for details.

How do I nominate online?

To nominate for any SACSAsports event, you need to go online to www.sacsasports.com.au and click on 'nominations' in the top menu bar (at the very top right hand side of the website). Before you can log in, you will need to contact the SACSAsports Executive Sports Coordinator and get your login details. Your username will be your "first name.last name". Your password will be sent to you. You will be given the opportunity to change that password to something more relevant to you.

Why can I not just email through my nominations?

It is important that you nominate online and avoid emailing through a nomination. The nominations are set up so that automatic email lists are created. If you do not nominate online, you may miss confirmation emails.

Do I have to enter my details every time?

You will not need to enter your details every time you want to nominate a team. On each nomination form, there is a prefill with your details. All you will need to do is nominate how many teams you would like to enter into the carnival.

How can I check my nominations?

If you need to check how many teams you have entered, you can just go back into the nomination section online and it will take you back to your filled out form.

What if I made a mistake or need to make changes?

If you need to make any changes, please email the SACSAsports Executive Sports Coordinator, so that changes can be done manually.

Nomination Fees

The cost for nominating a team is found in the online nomination form. Invoices will be sent out to schools based on your nominations for each carnival. Once the draws have been created, any teams withdrawn will still incur the nomination fee. Teams removed prior to the creation of the draw will not be charged a nomination fee.

DRAWS

- All draws will start from 8.30am.
- Competition draws will be based on number of teams competing and will be online one week before the event.
- Where possible, a cross over draw will be used for eight or more nominated teams and a round robin draw is used for less than eight nominated teams.
- Where there is more than one pool, schools will be separated according to their previous year's results, with the hope to have even pools on the day.
- Schools travelling the furthest distance to the carnival will have a later start time where possible.
- SACSA Sports will provide medallions and trophies for all carnivals. For team sports, winning schools will be awarded with a trophy. Each winning school team member will receive a gold medal and runners-up will receive silver medals, with the exception of Athletics where ribbons will be awarded.

PLACINGS

- To determine placing for finals matches, teams will be awarded 3 point for a win; 2 points for a draw and 1 point for a loss during the minor rounds of tournaments. Should two teams finish equal first or second in their pool, then the following method will be used to determine final positions:
 - **The results of the match involving the two or more teams**
 - **The team with the least number of points scored against them**
 - **If still tied, percentage will be calculated using points for and against**

FIRST AID

First Aid will be present at each carnival (except Table Tennis), but it is expected that schools are still responsible to attend to their own students' general first aid.

UMPIRES/REFEREES/OFFICIALS

Carnival referees will be provided at each SACSA Carnival. For Primary events, schools may be asked to put forward names of capable students at their school that would be willing to umpire. These students will be paid for their efforts.

- Schools will be invoiced for carnivals based on their numbers nominated. Any schools who withdraw teams once the draws have been created will still incur the nomination fee for the team. Schools who withdraw teams prior to the draws being created will not incur the nomination fee for the team.

STAFFING

- Ensure all schools have a supervising teacher present at all times throughout the carnival where each team must have a coach with them at all times. All schools must provide the proper staff / student ratio at each carnival (check with the SACSA Executive Sports Coordinator if unsure).

POLICIES

OUTDOOR HOT WEATHER POLICY

When the weather is forecast (at any outdoor carnival venue), to be 36 degrees Celsius or above, at 9am the day before the event on the BOM website, the event will be cancelled.

The SACSA Executive Sports Coordinator will endeavour to contact all participating schools by 12pm the day before the carnival. The SACSA Executive Sports Coordinator will also do their best to inform schools of an impending cancellation.

Each school is responsible to inform their parents of a possible or impending cancelled event. Schools are also responsible to inform their parents when an event is cancelled.

Individual schools will need to provide shade at each event site. Students should seek out available shade during rest periods or at times when they are not competing. Hats should be worn at all times excluding when directly competing. Please ensure students are appropriately dressed for the event.

INDOOR HOT WEATHER POLICY

When the weather is forecast (at any indoor carnival venue with inadequate air conditioning), to be 38 degrees Celsius or above, at 9am the day before on the BOM website, the event will be cancelled.

The SACSA Executive Sports Coordinator will endeavour to contact all participating schools by 12pm the day before the carnival. The SACSA Executive Sports Coordinator will also do their best to inform schools of an impending cancellation.

OUTDOOR EXTREME WEATHER POLICY

In the event of thunder and lightning, all SACSA Sports Carnivals will be cancelled at any time before or during the event.

In the event of extreme weather e.g. high winds, extreme hail, torrential rain, etc. the SACSA Sports Carnivals may cancel at any time at the discretion of the SACSA Executive Sports Coordinator and the SACSA Executive Committee. Schools will be notified via email on the morning of the event, if cancellation or a modified program is being considered.

In some cases, a modified program for the day may be implemented to avoid cancellation. Schools will be notified of this before or during the event.

SUN PROTECTION POLICY

It is well known that Australia has the highest incidence of skin cancer in the world. Levels of ultraviolet radiation are particularly high in many locations around Australia.

Many sporting events organised by SACSAs are conducted outdoors and in locations that have been identified as high skin cancer risk areas, particularly at certain times of the day. It is therefore important for SACSAs to protect students and staff, to the greatest extent possible, from the dangers of exposure to the sun.

Below are implementation strategies that SACSAs Sports have put in place to ensure that all participants at SACSAs events are afforded the best possible protection from skin damage caused by the sun:

- SACSAs schools should ensure that team uniforms are suitable for the locations to be visited and that hats are included when traveling to high risk venues.
- SACSAs schools should ensure that their staff members provide their students with adequate instruction on sun sense and protection measures.
- SACSAs Sports encourage all officials and participants to wear appropriate hats when appropriate, use the broad spectrum sunscreen and use available shade areas whenever possible.

BLOOD POLICY

At all times play must be stopped by an official to tend to any player who is injured or when an injury is suspected. "Personal safety is paramount". In the case of an open cut or abrasion where bleeding is evident, the injured player shall be withdrawn from the competition, by an official and will not return until the bleeding has stopped, the wound completely covered and any evident blood on the uniform or equipment has been removed.

SMOKING & ALCOHOL POLICY

All SACSAs officials / coaches / parents / spectators and participants are reminded that smoking and the drinking of alcohol is prohibited during school hours whether at school or SACSAs sports carnivals. It is necessary that this policy be observed at all SACSAs sporting events.

PHOTOGRAPHY & VIDEOGRAPHY POLICY

At all SACSAs events, there will be photography / videography taken throughout the day / night by SACSAs. These images / clips may be used for publication on websites and / or social media platforms. It is the responsibility of the school staff representative present at the event to indicate to the SACSAs Executive Sports Coordinator and / or convenor of any students that they do not wish / or are not permitted to be photographed. The onus is on the school to let the SACSAs Sports representatives know at the beginning of each day and Team Photos will be the responsibility of each school.

CODES OF CONDUCT

CODES OF CONDUCT FOR PLAYERS

- Show respect for sporting authorities, including the umpire and officials from both teams. Accept their decisions, cooperate with their instructions. If you really disagree ask one of your team authorities (such as captain, coach) to approach the official and then only during a break in the game.
"Be submissive to every human institution and authority for the sake of the Lord" (1 Peter 2:13).
- Always play by the rules.
"Do not become weary or lose heart in doing right" (2 Thessalonians 2:13).
- Be a good example of self-control. Control your temper and language. Abusing others or yourself is unacceptable in any sport.
"A soft answer turns away wrath but harsh words cause quarrels" (Proverbs 15:1)
- Give your best effort - for your school, coach, team-mates and yourself.
"...whatever you may do, do all for the honour and glory of God" (1 Corinthians 10:31)
- Be a good sport by welcoming visiting teams, exchanging pre-match courtesies and by thanking them, shaking hands after the game. Be a good winner and a good loser. Treat all players as you would like to be treated. Don't interfere with, or take unfair advantage of another player.
- Have fun. All teams experience winning and losing. Learn to enjoy many different things in sport, not just the score.
- Make a commitment and stick to it. If you're selected on a team, then it is important to be available for every game and practice for the whole season. Show responsibility by being changed, punctual and notifying your coach in advance of any absences. There are serious consequences for both you and the team if you do not honour your commitment.

CODE OF CONDUCT FOR COACHES

- Remember that children enjoy many different aspects of sport and that winning is only part of the fun.
- Be generous with praise, but discreet, constructive and very selective with criticism.
"Fathers, do not embitter your children, or they will become discouraged" (Colossians 3: 21)
- Teach your players to always play by the rules.
"Do not become weary or lose heart in doing right" (Thessalonians 2:13 –)
- Ensure that equipment and facilities meet safety standards (OHS&W guidelines) and are appropriate to the age and ability of your players.
- Be an example of respect for opponents, officials and other coaches. Use appropriate language at all times.
"If anyone can control his tongue, it proves that he has perfect control over himself in every other way" (James 3: 2)
- Be decisive, prompt and consistent in dealing with inappropriate behaviour from your players.
"Discipline your son in his early years while there is hope. If you don't you will ruin his life" (Proverbs 19:18)
- Where spectators' (including parents) behaviour is inappropriate first warn, then ask them to remove themselves from the spectator area. Make a written report to your schools sports coordinator for any such incidents.
- Keep your own knowledge of coaching and the developments of the game up to date.
- At training, give opportunity for each player's development. Make training varied & enjoyable for your players.
- Ensure that adequate supervision is provided for your school's students.

CODES OF CONDUCT

CODE OF CONDUCT FOR PARENTS AND SPECTATORS

- Encourage your children to participate in sport. Give guidance in their choice of sport without forcing them to play.
- Parents and spectators must not challenge decisions made by officials in charge any problems or complaints should be taken up with the school's coach or representative.
- Have a 'do your best', rather than a 'win at all costs' attitude to your child's involvement.
"...Whatever you may do, do all for the honour and glory of God" (1 Corinthians 10:31).
- Encourage children to always play by the rules.
"Do not become weary or lose heart in doing right" (Thessalonians 2:13).
- Be a good example of a spectator at your child's games by applauding good play from both teams. Accept the decisions of umpires and officials. Never criticize coaches, officials or players. Avoid being overzealous to the point of embarrassing children. They value your encouragement but don't want attention focused on their every move.
"...Parents...don't keep scolding and nagging your children, making them angry and resentful" (Ephesians 6:4).
- Verbal abuse / swearing or ridiculing player is not permitted
- Allow the coaches room to do their job. Don't crowd around the team if players or the coach are distracted by your presence. Encourage your child to be attentive and cooperative to their coach. Wait until the coach has dismissed the players before interacting.
- Recognise the value and importance of coaches and other volunteers. Encourage them, thank them, and offer your support. Discuss your child's involvement with them.
