## WELCOME

Welcome to SACSA Sport. Please keep this booklet readily available to reference and use throughout the calendar year to assist you with your planning to be involved in SACSA's sporting programs.

### PHILOSOPHY AND RATIONALE

- The South Australian Christian Schools Association exists primarily to give its member schools the opportunity for participation in the sports offered within this document.
- The aims of SACSA Sport are to promote and develop Christian community within its member schools and to witness to each other and the wider community an authentic faith. Such an approach primarily emphasises the following aspects of sporting competition:
  - The pleasure of both individual and team participation.
  - The cognitive, aesthetic, expressive, physical, cultural and social benefits for each individual involved.
  - The cultivation of the most important character qualities and attitudes; principally good sportsmanship, persistence, courage and commitment.

### GUIDING PRINCIPLES

- SACSA desire is to promote broad participation in sport as part of the curriculum in all Christian Schools in South Australia and undertake to increase the quality and quantity of such activities within existing school frameworks.
- SACSA aims to provide avenues for the development for students who show ability in sports, with representative opportunities existing at both the local and national level.
- SACSA's main aim is to develop the collective spirit of unity, cooperation and friendship, in a positive, fun filled structured environment. SACSA sport is characterised by fun, enjoyment, participation, competition, challenge, character development and social interaction. SACSA is highly committed to establishing a wholesome competition structure so that children and young adults can benefit from their experiences.
- Wholesome competition that is commensurate with the age, interest and ability of each child emphasises participation rather than winning or losing.
- Competition exists in the daily life of every child in sport and in most aspects of life.
- Competition provides stimulation and challenges as well as the opportunity to apply, test and further develop skills in a game situation. Students should be satisfied with competing to the best of their ability and spectator behaviour should reflect this emphasis.
- Participation, developmental experience and enjoyment are the intrinsic goals of competitive sport in primary and secondary schools.

If you have any further questions, please contact the SACSA Executive Sports Coordinator with the provided contact information in the contacts section of this booklet.

## ***ONLINE NOMINATIONS***

The information for each of our Sports on the 2024 SACSA Sports Program can be found online at [www.sacsasports.com.au](http://www.sacsasports.com.au)

Please click on 'Sports' from the menu bar and select the sport you wish to know more about. You will find the following: date, time, location, age groups, rules, draws and other general information. The cost for nominating a team can be found on the nomination form. See below for details.

### **How do I nominate online?**

To nominate for any SACSA Sports event, you need to go online to [www.sacsasports.com.au](http://www.sacsasports.com.au) and click on 'nominations' in the top menu bar (at the very top right hand side of the website). Before you can log in, you will need to contact the SACSA Executive Sports Coordinator and get your login details. Your username will be your "first name.last name". Your password will be sent to you. You will be given the opportunity to change that password to something more relevant to you.

### **Why can I not just email through my nominations?**

It is important that you nominate online and avoid emailing through a nomination. The nominations are set up so that automatic email lists are created. If you do not nominate online, you may miss confirmation emails.

### **Do I have to enter my details every time?**

You will not need to enter your details every time you want to nominate a team. On each nomination form, there is a prefill with your details. All you will need to do is nominate how many teams you would like to enter into the carnival.

### **How can I check my nominations?**

If you need to check how many teams you have entered, you can just go back into the nomination section online and it will take you back to your filled out form.

### **What if I made a mistake or need to make changes?**

If you need to make any changes, please email the SACSA Executive Sports Coordinator, so that changes can be done manually.

### **Nomination Fees**

The cost for nominating a team is found in the online nomination form. Invoices will be sent out to schools based on your nominations for each carnival. Once nominations have closed any teams that withdraw or enter new teams will incur a nomination fee plus admin fees. See page 17.

## 2024 AFFILIATION FEE

**\$13.75 / Student (Inc. GST)**

(Based on Year 3 – 12 School Enrolments)

SACSA Sports Schools will need to pay the affiliation fee to be eligible to participate in the SACSA Sports Program including Athletics, swimming and cross country (which the cost of the affiliation fee covers), as well as their students to be eligible for selection to participate in other State or National competitions.

**Enrolment numbers are due by  
Friday 2<sup>nd</sup> February.**

Can you please send through the following information to Matthew Rohrlach (details below):

- 1. Enrolment numbers from Years 3 – 6 per campus**
- 2. Enrolment numbers from Years 7 – 12 per campus**

If you combine with another campus or School in any event, please could you let the SACSA Executive Sports Coordinator know prior to the event for approval.

Please send your enrolments to:  
Matthew Rohrlach SACSA Finance Officer  
Email: [matthewr@sacsasports.com.au](mailto:matthewr@sacsasports.com.au)  
Phone: (08) 8282 5141

**Invoices will then be sent to schools once enrolment numbers have been received.  
Payments will be due by Friday 16<sup>th</sup> of February.**

## 2024 DIVISIONS

## CARNIVAL INFORMATION

The information below can also be found on the SACSA Sports website; [www.sacsasports.com.au](http://www.sacsasports.com.au)

### MAXIMUM PLAYERS PER TEAM

- Players are only allowed to play in their age group;** however, Division 2 schools only, may request to the SACSA Executive Committee for players to play up an age group, for example: a year 7/8 player may play up in years 9/10, but then forfeit their position on the 7/8 team e.g., they are not able to play in both age groups. This will be dependent on different variables across each sport.
- Please view the table below to see the maximum team size for each *Carnival*.

## NOMINATIONS

- Online nomination for carnivals must be completed approximately three to four weeks prior to the event in order for a school to be eligible to enter the competition. Nomination due date is on the SACSA Sports Calendar.
- For a carnival day to go ahead there must be at least four schools nominating teams.
- SACSA Executive Sports Coordinator has the right to cancel a carnival due to lack of teams and cost involved in running the carnival.

## NOMINATION COSTS

Each team that is entered will cost a fee amount shown below.

This amount is to cover the cost of referee's, venue, equipment, trophies etc.

The older age groups have a higher fee than the younger age groups, as these carnivals cost more to run.

## INVOICING/CHANGE OF NOMINATION

Schools will be invoiced for carnivals based on their numbers nominated per team event.

**If you decide to withdraw a team(s) after the nomination date, but before the week prior (2 weeks) to an event you will still be charged your nomination fee.**

**But any school who enters additional or withdraws a team(s) within a week (Monday) prior (1 week) to a carnival week or during a carnival week, will be charged a nomination fee (if not nominated already) plus and an admin fee of \$100 per team.**

If you have any questions or need more time around your nomination, please contact the SACSA Executive Sports Coordinator prior to the nomination due date of each carnival. Please be careful when deciding how many teams you'll be entering.

## DRAWS

- All draws will start from *approx.* 9am.
- Competition draws will be based on number of teams competing and will be online at least one week before the event.
- Where possible, a cross over draw will be used for eight or more nominated teams and a round robin draw is used for less than eight nominated teams.
- Where there is more than one pool, schools will be separated according to their previous year's results, with the hope to have even pools on the day.
- Schools travelling the furthest distance to the carnival will have a later start time where possible.
- SACSA Sports will provide medallions and trophies for all carnivals in years 5/6 to 9/10 and participation certificates for all 3/4 team events. For team sports, winning schools will be awarded with a trophy. Each winning school team member will receive a gold medal and runners-up will receive silver medals, with the exception of Athletics *and* Swimming where ribbons will be awarded.

## PLACINGS

To determine placing for finals matches, teams will be awarded 3 points for a win; 2 points for a draw and 1 point for a loss during the minor rounds of tournaments. Should two teams finish on equal points in their pool, then the following method will be used to determine final positions:

- **The results of the matches involving the two or more teams (Head-to-Head)**
- **If still tied, percentage will be calculated using points for and against**

## FIRST AID

First Aid will be present at each carnival (except Table Tennis), but it is expected that schools are still responsible to attend to their own students' general first aid.

First Aid are not personal trainers and are at the events for everyone's benefit.

**They will not attend to students pre occurring injuries i.e., strapping knees or ankles**

### UMPIRES/REFEREES/OFFICIALS

Carnival referees will be provided at each SACSA Carnival. For Primary events, schools may be asked to put forward names of capable students at their school that would be willing to umpire. These students will be compensated for their efforts.

### STAFFING

Ensure all schools have a supervising teacher present at all times throughout the carnival. Each team must have a coach with them at all times. All schools must provide the proper staff / student ratio at each carnival (Check with the SACSA Executive Sports Coordinator *for guidelines* if unsure).

## ***POLICIES***

### **OUTDOOR HOT WEATHER POLICY**

When the weather is forecast (at any outdoor carnival venue), to be 36 degrees Celsius or above, at 9am the day before the event on the BOM website, the event will be cancelled.

The SACSA Executive Sports Coordinator will endeavour to contact all participating schools by 12pm the day before the carnival. The SACSA Executive Sports Coordinator will also do their best to inform schools of an impending cancellation.

Each school is responsible to inform their parents of a possible or impending cancelled event. Schools are also responsible to inform their parents when an event is cancelled.

Individual schools will need to provide shade at each event site. Students should seek out available shade during rest periods or at times when they are not competing. Hats should be worn at all times excluding when directly competing. Please ensure students are appropriately dressed for the event.

### **INDOOR HOT WEATHER POLICY**

When the weather is forecast (at any indoor carnival venue with inadequate air conditioning), to be 38 degrees Celsius or above, at 9am the day before on the BOM website, the event will be cancelled.

The SACSA Executive Sports Coordinator will endeavour to contact all participating schools by 12pm the day before the carnival and will also do their best to inform schools of an impending cancellation.

### **OUTDOOR EXTREME WEATHER POLICY**

In the event of thunder and lightning, all SACSA Sports Carnivals will be cancelled at any time before or during the event.

In the event of extreme weather e.g., high winds, extreme hail, torrential rain, etc. the SACSA Sports Carnivals may cancel at any time at the discretion of the SACSA Executive Sports Coordinator and the SACSA Executive Committee. Schools will be notified via email on the morning of the event, if cancellation or a modified program is being considered.

In some cases, a modified program for the day may be implemented to avoid cancellation. Schools will be notified of this before or during the event.

## SUN PROTECTION POLICY

It is well known that Australia has the highest incidence of skin cancer in the world. Levels of ultraviolet radiation are particularly high in many locations around Australia.

Many sporting events organised by SACSA are conducted outdoors and in locations that have been identified as high skin cancer risk areas, particularly at certain times of the day. It is therefore important for SACSA to protect students and staff, to the greatest extent possible, from the dangers of exposure to the sun.

Below are implementation strategies that SACSA Sports have put in place to endure that all participants at SACSA events are afforded the best possible protection from skin damage caused by the sun:

- SACSA schools should ensure that team uniforms are suitable for the locations to be visited and that hats are included when traveling to high-risk venues.
- SACSA schools should ensure that their staff members provide their students with adequate instruction on sun sense and protection measures.
- SACSA Sports encourage all officials and participants to wear appropriate hats when appropriate, use the broad-spectrum sunscreen and use available shade areas whenever possible.

## BLOOD POLICY

At all times play must be stopped by an official to tend to any player who is injured or when an injury is suspected. "Personal safety is paramount". In the case of an open cut or abrasion where bleeding is evident, the injured player shall be withdrawn from the competition, by an official and will not return until the bleeding has stopped, the wound completely covered and any evident blood on the uniform or equipment has been removed.

## SMOKING & ALCOHOL POLICY

All SACSA officials / coaches / parents / spectators and participants are reminded that smoking and the drinking of alcohol is prohibited during school hours whether at school or SACSA Sports carnivals. It is necessary that this policy be observed at all SACSA sporting events.

## PHOTOGRAPHY & VIDEOGRAPHY POLICY

At SACSA Sports events, there in some cases will be a photographer / videographer taking pictures throughout the day or night. These images / clips may be used for publication on websites and / or social media platforms. It is the responsibility of the school staff representative present at the event to indicate to the SACSA Executive Sports Coordinator and / or convenor of any students that they do not wish / or are not permitted to be photographed. The onus is on the school to let the SACSA Sports representatives know at the beginning of each day and **Team Photos will be the responsibility of each school.**

# CODES OF CONDUCT

## CODES OF CONDUCT FOR PLAYERS

- Show respect for sporting authorities, including the umpire and officials from both teams. Accept their decisions, cooperate with their instructions. If you really disagree ask one of your team authorities (such as captain, coach) to approach the official and then only during a break in the game.  
"Be submissive to every human institution and authority for the sake of the Lord" (1 Peter 2:13).
- Always play by the rules.  
"Do not become weary or lose heart in doing right" (2 Thessalonians 2:13).
- Be a good example of self-control. Control your temper and language. Abusing others or yourself is unacceptable in any sport.  
"A soft answer turns away wrath, but harsh words cause quarrels" (Proverbs 15:1)
- Give your best effort - for your school, coach, team-mates, and yourself.  
"...whatever you may do, do all for the honour and glory of God" (1 Corinthians 10:31)
- Be a good sport by welcoming visiting teams, exchanging pre-match courtesies and by thanking them, shaking hands after the game. Be a good winner and a good loser. Treat all players as you would like to be treated. Don't interfere with or take unfair advantage of another player.
- Have fun. All teams experience winning and losing. Learn to enjoy many different things in sport, not just the score.
- Make a commitment and stick to it. If you're selected on a team, then it is important to be available for every game and practice for the whole season. Show responsibility by being changed, punctual and notifying your coach in advance of any absences. There are serious consequences for both you and the team if you do not honour your commitment.

## CODE OF CONDUCT FOR COACHES

- Remember that children enjoy many different aspects of sport and that winning is only part of the fun.
- Be generous with praise, but discreet, constructive, and very selective with criticism.  
"Fathers, do not embitter your children, or they will become discouraged" (Colossians 3: 21)
- Teach your players to always play by the rules.  
"Do not become weary or lose heart in doing right" (Thessalonians 2:13 -)
- Ensure that equipment and facilities meet safety standards (OHS&W guidelines) and are appropriate to the age and ability of your players.
- Be an example of respect for opponents, officials, and other coaches. Use appropriate language at all times.  
"If anyone can control his tongue, it proves that he has perfect control over himself in every other way" (James 3: 2)
- Be decisive, prompt, and consistent in dealing with inappropriate behaviour from your players.  
"Discipline your son in his early years while there is hope. If you don't you will ruin his life" (Proverbs 19:18)
- Where spectators' (including parents) behaviour is inappropriate first warn, then ask them to remove themselves from the spectator area. Make a written report to your schools' sports coordinator for any such incidents.
- Keep your own knowledge of coaching and the developments of the game up to date.
- At training, give opportunity for each player's development. Make training varied & enjoyable for your players.
- Ensure that adequate supervision is provided for your school's students.

## CODE OF CONDUCT FOR PARENTS AND SPECTATORS

- Encourage your children to participate in sport. Give guidance in their choice of sport without forcing them to play.
- Parents and spectators must not challenge decisions made by officials in charge any problems or complaints should be taken up with the school's coach or representative.
- Have a 'do your best', rather than a 'win at all costs' attitude to your child's involvement.  
"...Whatever you may do, do all for the honour and glory of God" (I Corinthians 10:31).
- Encourage children to always play by the rules.  
"Do not become weary or lose heart in doing right" (Thessalonians 2:13).
- Be a good example of a spectator at your child's games by applauding good play from both teams. Accept the decisions of umpires and officials. Never criticize coaches, officials, or players. Avoid being overzealous to the point of embarrassing children. They value your encouragement but don't want attention focused on their every move.  
"...Parents...don't keep scolding and nagging your children, making them angry and resentful" (Ephesians 6:4).
- Verbal abuse / swearing or ridiculing player is not permitted
- Allow the coaches room to do their job. Don't crowd around the team if players or the coach are distracted by your presence. Encourage your child to be attentive and cooperative to their coach. Wait until the coach has dismissed the players before interacting.
- Recognise the value and importance of coaches and other volunteers. Encourage them, thank them, and offer your support. Discuss your child's involvement with them.
- Never abuse or ridicule a player for making mistakes.  
"Fathers, do not embitter your children, or they will become discouraged" (Colossians 3:21).

**\*\*The SACSA Carnival Convener or SACSA Executive Sports Coordinator reserves the right to (in serious cases) remove any spectator/ coach / team / player from the carnival\*\***

## ***CODES OF BEHAVIOUR***
